

TO: General Government Committee  
FROM: Mary Heather Ames, Assistant Transportation & Engineering Director  
DATE: January 10, 2024  
SUBJECT: 2025 Comprehensive Plan Periodic Update – Transportation

---

1) Recommended Action:

This is a discussion item about the Transportation Plan for the 2025 Comprehensive Plan periodic update.

---

2) Background:

On a ten-year cycle, the City is required to conduct a Growth Management Act periodic update of its Comprehensive Plan and related development regulations. For the current cycle, the City is required to complete work on the periodic update by June 30, 2025. Work on the periodic update started last fall.

The updated Comprehensive Plan will address diversity, equity, and inclusion throughout the Plan. [2025 Comprehensive Plan Update | City of Tumwater, WA](#) contains links to guidance material and information about the update.

The intent of this work session is to discuss the current version of the Transportation Plan and guidance for its update.

---

3) Policy Support:

Strategic Priority: Build a Community Recognized for Quality, Compassion, and Humanity.

---

4) Alternatives:

☐ None.

---

5) Fiscal Notes:

The periodic update is primarily an internally funded annual work program task. The City has filed an application for a Washington State Department of Commerce grant for \$125,000 to update the Transportation Plan and Economic Development Plan and is waiting to hear back about edits to our proposed scope and budget. The City has been awarded a Washington State Department of Commerce grant for \$75,000 to address the new state middle housing requirements. The City has filed an application for a Washington State Department of Commerce grant application for \$500,000 to support the development of a Climate Element and supporting implementation actions and is waiting to hear back about edits to the proposed scope and budget.
