SUBJECT: Ordinance No. O2022-013, 2022 Development Code Housekeeping Amendments

1) Recommended Action:

Conduct a worksession and schedule Ordinance No. O2022-013 for consideration by the City Council on October 4, 2022.

2) Background:

TMC 18.60.025(A) establishes a process by which the preliminary docket of annual development code housekeeping amendments undergoes an initial review by the Planning Commission for recommendation to the City Council. The development code is defined as Title 16 *Environment*, Title 17 *Land Division*, and Title 18 *Zoning*. The City Council made the final determination on which of the proposed amendments would be included in the final docket in Ordinance No. O2022-013 on June 21, 2022.

The development code housekeeping preliminary docket staff report contains summaries of the fifteen proposed amendments.

Ordinance No. O2022-015 contains two proposed amendments in Title 2 *Administration and Personnel* and Title 15 *Building and Construction* that do not fall under the TMC 18.60.025(A) process, but will be considered at the same time as the development code final docket in Ordinance No. O2022-013.

The Planning Commission held a public hearing on August 9, 2022 and recommended that the City Council approve Ordinance No. O2022-013. The General Government Committee held a briefing on Ordinance No. O2022-013 on September 14, 2022. The General Government Committee had questions on two of the 15 amendments for the City Council to discuss at their worksession.

3) Policy Support:

Land Use Element Implementation Policy 11 of Section 3.3: "Modify the land use regulatory review, permitting, and approval system for consistency with the Growth Management Act and adopted plans to ensure predictability and allow processing of development permits in a timely and fair manner."
