Mayor Debbie Sullivan  
City of Tumwater  
555 Israel Road SW  
Tumwater, WA 98501

Dear Mayor Sullivan and Members of the Selection Committee,

I am writing to express my interest in serving as a Civil Service Commissioner for the City of Tumwater. As someone deeply committed to public service, I am eager to contribute my knowledge, experience, and passion to support and enhance the city's civil service processes.

My journey in fire and emergency medical services began in high school on Whidbey Island, where I participated in paramedic ride-alongs. This early exposure sparked a lifelong dedication to serving my community. Over the years, I have:

- Worked as a career firefighter/paramedic and later as an operations manager for Yakima County.
- Gained valuable experience as a 9-1-1 dispatcher in both Island and Thurston Counties.
- Served for approximately 10 years as a volunteer firefighter.
- Contributed as a volunteer with the City of Tumwater since 2021.
- Participated on Washington State Department of Health rule-making committees for multiple years.

Through these roles, I developed a deep understanding of the challenges faced by civil service employees and the importance of objectivity, fairness, and transparency in addressing those challenges.

Despite the personal obstacles I've faced over the past seven years overcoming an aggressive form of bone cancer, I have found strength in continuing to serve my community. While my condition has left me permanently physically disabled and managing chronic fatigue, it has also reinforced my resilience, adaptability, and commitment to meaningful work.

I would be honored to bring my unique perspective and extensive background to the Civil Service Commission. My experiences have instilled in me a strong sense of fairness and the ability to listen objectively to diverse perspectives—qualities that I believe align with the Commission's mission.

Thank you for considering my application. I look forward to the opportunity to discuss how my experiences and dedication can benefit the City of Tumwater and its civil service employees.

Sincerely,  
Wendy Moudy
