MEETING MINUTES

BARNES LAKE MANAGEMENT DISTRICT
May 13, 2026

CONVENE:	6:00 p.m.
PRESENT:	Chair Linnea Madison, Committee Members Sharie McCafferty, Carissa Parvin, Rusty Weaver, Dana Day, Troy Patience, Jody Keys, Lalani Shelton, and Matthew Brownell Staff: Water Resources Specialist Dave Kangiser
APPROVAL OF MINUTES:	Member Patience moved, seconded by Member Weaver to approve the meeting minutes of March 4, 2026. A voice vote approved the motion unanimously.
PUBLIC COMMENT:	No public comment.
MEMBER COMMENT:	A member commented that vegetation clippings were being left at 1226 Lake Park Dr. Specialist Kangiser referred them to the Community Development Department at City Hall for follow up.
2026 WORK PLAN REVIEW:	Specialist Kangiser reviewed the 2026 Work Plan.
2026 BUDGET REVIEW:	The budget was reviewed by Specialist Kangiser. No new spending has occurred in 2026.
LAKE LEVELS AND TEMPERATURE:	The data shows water temperatures are nearing about 60 degrees. This is the temperature range that aquatic plants begin to emerge.
MUCK BIOTIC DISCUSSION:	Aquatechnex submitted an estimate for a Muck Biotic application for the 2026 treatment year. Muck Biotic is a bacteria treatment that consumes organic material at the bottom of the lake. The steering committee decided not to move forward with

the application due to cost and lack of available staff at Aquatechnex to monitor the results of the treatment.

FUTURE AGENDA ITEMS:

The steering committee identified the following as agenda items for the next Steering Committee meeting:

- Aquatechnex treatment season update
- Aquatechnex contract renewal
- Walk About review

ADJOURNMENT:

With there being no further business, Chair Madison adjourned the meeting at 7:15 p.m.

Prepared by Dave Kangiser, Water Resources Specialist
