One (1) SRO will primarily serve Tumwater High School and Bush Middle School. One (1) SRO will primarily serve Black Hills High School and Tumwater Middle School.

Both SROs will provide service to Black Lake Elementary, Tumwater Hill Elementary, Michael T. Simmons Elementary, Peter G. Schmidt Elementary, East Olympia Elementary and Littlerock Elementary on an as needed/when available basis.

The SROs will provide a uniformed presence on campus to promote safety and create a positive school climate and build positive relationships with students by providing students, parents, teachers, administrators, and neighborhood residents with information, support, and problem-solving mediation and facilitation. SROs will patrol his/her assigned schools and surrounding areas in order to identify, investigate, enforce, deter, and prevent

crime, especially those incidents involving weapons, youth violence, harassment, gang involvement, drugs, or other similar activities.

II. SRO Training Requirements

SROs will be required to complete the school safety and security training program developed by the education service districts within the first six months of working on school property when students are expected to be present, as required by RCW 28A.400.345(2). This training series includes the following topics: civil rights of children in schools; child and adolescent development; trauma-informed approaches to working with youth; recognizing and responding to youth mental health issues; and educational rights of students with disabilities. Additionally, all SROs must complete two days of on-the-job training with experienced safety and security staff, at the school of the experienced staff, within the first year of working on school property when students are expected to be present.

III. Hiring and Placement Process

The SROs shall at all times remain an employee of the CITY and shall not be an employee of the SCHOOL DISTRICT. The SROs shall remain responsive to supervision and chain of command of the POLICE DEPARTMENT which shall be responsible for their hiring, training, discipline, and dismissal. Any allegation of improper conduct by a SRO will be referred to the SROs immediate supervisor.

The SROs will be assigned to the schools on a full-time, forty (40) hour work week, minus any scheduled vacation time, sick time, training time, court time, or any other police-related activity, including any emergencies such as civil disasters.

Scheduling for SROs while school is in session will be determined by mutual agreement of the SCHOOL DISTRICT administration and the SROs police supervisor. As such, the normal work schedule will be Monday through Friday, 7:00 a.m. to 3:00 p.m., September through June. The SROs will not take vacation while school is in session unless approved by his/her police supervisor. The affected schools will be notified regarding any unscheduled absences. On scheduled work days when school is not in session (summer vacation, school breaks, holidays, etc.), the SROs will work on assignments as determined by their police supervisor.

IV. Role and Responsibilities of Police Department

The duties and responsibilities of the POLICE DEPARTMENT include the following:

- Have SROs participate in and train school and community partner staff in threat assessment, critical incident response and the development of an off-site crisis response center in case of a school, district or county-wide critical incident or terrorist event impacting the safety of students, staff, family members and community residents.

Trained safety and security staff know when to informally interact with students to reinforce school rules and when to enforce the law. SROs are prohibited from becoming involved in formal school discipline situations that are the responsibility of school administrators; however, the SROs may assist the school

staff if there is a problem or incident that is a violation of the law, and will determine whether law enforcement action is appropriate.

VI. Performance Evaluation Process

In the event the Principal of a school to which an SRO has been assigned has cause to believe that the particular SRO is not effectively performing in accordance with this Agreement, the Principal may recommend to the School District that the SRO be removed from the program. This assumes that mediation with the SROs chain of command and the Principal has failed.

To initiate the replacement of an SRO, the Principal will recommend to the District Superintendent, or his/her designee, that the SRO should be replaced, stating the reasons in writing. Within a reasonable period of time after receiving the recommendation, the Superintendent or his/her designee will meet with the Chief of Police or his/her designee, to mediate or resolve the problem that may exist.

VII. Process for Filing Complaints

The District has established a means for resolving concerns that may arise related to SRO, which is outlined in District Board Procedure 4311P. This complaint resolution system allows parents, guardians, and adult students to submit written complaints alleging improper conduct by safety and security staff that has directly

aggrieved them to their school principal or designee. A sincere effort will be made to resolve the complaint at this level, and if not resolved, the parent, guardian or adult student may appeal the complaint to the superintendent or their designee in writing.
