Assessed valuations are based upon the following assessment ratios:

- (a) Real and personal property (excluding single-family owner-occupied residential real property and motor vehicles, respectively), fifteen percent (15%) of true value;
- (b) Single-family owner-occupied residential real property, ten percent (10%) of true value;
- (c) Motor vehicles and public utility property, thirty percent (30%) of true value.

The 1986 Session of the Mississippi Legislature adopted House Concurrent Resolution No. 41 (the "Resolution"), pursuant to which there was proposed an amendment to the Mississippi Constitution of 1890 (the "Amendment"). The Amendment provided, <u>inter alia</u>, that the assessment ratio of any one class of property shall not be more than three times the assessment ratio on any other class of property.

The Amendment set forth five classes of property and the assessment ratios which would be applicable thereto upon the adoption of the Amendment. The assessment ratios set forth in the Amendment are identical to those established by Section 27-35-4, Mississippi Code of 1972, as it existed prior to the Amendment, except that the assessment ratio for single-family owner-occupied residential real property under the Amendment is set at ten percent (10%) of true value as opposed to fifteen percent (15%) of true value under previously existing law.

The assessed valuation figures above do include property exempt from all municipal ad valorem tax for periods of up to ten years, primarily for new or expanded manufacturing facilities.

### **Procedure for Tax Collections**

The Governing Body is required to levy a special tax upon all of the taxable property within the geographical limits of the City each year sufficient to provide for the payment of the principal of and interest on the City's general obligation bonds. If any taxpayer neglects or refuses to pay his taxes on the due date thereof, the unpaid taxes bear interest at the rate of one percent (1%) per month or fractional part thereof from the delinquent date to the date of payment of such taxes. When enforcement officers take action to collect delinquent taxes, other fees, penalties and costs may accrue. Both real property and personal property are subject to public tax sale.

Section 21-33-63, Mississippi Code of 1972, as may be amended from time to time, and related statutes provide that after the 15th day of December and after the 15th day of August in each year, the tax collector for each municipality shall advertise all lands in such municipality on which all the taxes due and in arrears have not been paid, as well as all land liable for sale on the first Monday of April or the third Monday of September following, as the case may be.

#### **Reappraisal of Property and Limitation on Ad Valorem Levies**

Senate Bill No. 2672, General Laws of Mississippi, Regular Session 1980, codified in part as Sections 27-35-49 and 27-35-50, Mississippi Code of 1972 (the "Reappraisal Act"), provides that all real and personal property in the State shall be appraised at true value and assessed in proportion to true value. To ensure that property taxes do not increase dramatically as the counties complete reappraisals, the Reappraisal Act provides for the limit on increase in tax revenues discussed below.

The statute limits ad valorem tax levies by the City subsequent to October 1, 1980, to a rate which will result in an increase in total receipts of not greater than ten percent (10%) over the previous year's receipts, excluding revenue from ad valorem taxes on any newly constructed properties, any existing properties added to the tax rolls or any properties previously exempt which were not assessed in the next preceding year. This limitation does not apply to levies for the payment of the principal of and the interest on general obligation bonds issued by the City or to certain other specified levies. The limitation may be increased only if the proposed increase is approved by a majority of those voting in an election held on such question.

On August 20, 1980, the Mississippi Supreme Court rendered its decision in <u>State Tax Commission v.</u> <u>Fondren</u>, 387 So.2d 712, affirming the decree of the Chancery Court of the First Judicial District of Hinds County, Mississippi, wherein the Mississippi Department of Revenue (formerly the State Tax Commission) was enjoined from accepting and approving assessment rolls from any county in the State for the tax year 1983 unless the Mississippi Department of Revenue equalized the assessment rolls of all of the counties. Due to the intervening passage of the Reappraisal Act, the Supreme Court reversed that part of the lower court's decree ordering the assessment of property at true value (although it must still be appraised at true value), holding instead that assessed value may be expressed as a percentage of true value. Pursuant to the Supreme Court modification of the Chancellor's decree, on November 15, 1980, the Mississippi Department of Revenue filed a master plan to assist counties in determining true value. On December 7, 1983, the Chancery Court granted an extension until July 1, 1984, of its previous deadline past which the Mississippi Department of Revenue could not accept and approve tax rolls from counties which had not yet reappraised. The City has completed reappraisal.

### **Homestead Exemption**

The Mississippi Homestead Exemption Law of 1946 reduces the local tax burden on homes qualifying by law and substitutes revenues from other sources of taxation on the State level as a reimbursement to the local taxing units for such tax loss. Provisions of the homestead exemption law determine qualification, define ownership and limit the amount of property that may come within the exemption. The exemption is not applicable to taxes levied for the payment of the Bonds, except as hereinafter noted.

Those homeowners who qualify for the homestead exemption and who have reached the age of sixty-five (65) years on or before January 1 of the year for which the exemption is claimed, service-connected, totally disabled American veterans who were honorably discharged from military service and those qualified as disabled under the federal Social Security Act are exempt from any and all ad valorem taxes on qualifying homesteads not in excess of \$7,500 of assessed value thereof.

The tax loss resulting to local taxing units from properly qualified homestead exemptions is reimbursed by the Mississippi Department of Revenue. Beginning with the 1984 supplemental ad valorem tax roll and for each roll thereafter, no taxing unit shall be reimbursed an amount in excess of one hundred six percent (106%) of the total net reimbursement made to such taxing unit in the next proceeding year.

### Statutory Debt Limits

The City is subject to a general statutory debt limitation under which no municipality in the State may incur general obligation bonded indebtedness in an amount which will exceed 15 percent of the assessed value of the taxable property within such municipality according to the last completed assessment for taxation.

In computing general obligation bonded indebtedness for purposes of such 15 percent limitation, there may be deducted all bonds or other evidences of indebtedness issued for school, water and sewerage systems, gas and light and power purposes and for the construction of special improvements primarily chargeable to the property benefited, or for the purpose of paying a municipality's proportion of any betterment program, a portion of which is primarily chargeable to the property benefited. However, in no case may a municipality contract any indebtedness payable in whole or in part from proceeds of ad valorem taxes which, when added to all of its outstanding general obligation indebtedness, both bonded and floating, exceeds 20 percent of the assessed value of the taxable property within such municipality.

In arriving at the limitations set forth above, bonds issued for school purposes, bonds payable exclusively from the revenues of any municipally-owned utility, the Series 2008 Bonds, general obligation industrial bonds issued under the provisions of Sections 57-1-1 to 57-1-51, Mississippi Code of 1972, as amended, and special assessment improvement bonds issued under the provisions of Sections 21-41-1 to 21-41-53, Mississippi Code of 1972, as amended, are not included. Also excluded from both limitations are contract obligations subject to annual appropriations.

<sup>&</sup>lt;sup>11</sup> The City's Series 2008 GO Water Bonds, and the Series 2019 GO Water Refunding Bonds are not subject to the 15% debt limitation as such debt is paid by a Special Sales Tax and revenues of the System.
