WARD 4 BARNES CROSSING SIDEWALKS – BID NO. 2024-024PW
MDOT PROJ. NO. STP-0430-00(047) LPA / 109149-701000

Dear Mr. Bonds:

I am pleased to submit to you, along with the Mayor and City Council, our conclusions and recommendations regarding the award of the construction contract for the referenced project. Bids were opened at Tupelo City Hall on Wednesday, June 19, 2024 at 10:00 AM local time. This project includes the construction of new sidewalks and related improvements along North Gloster and Barnes Crossing Road to provide a pedestrian connection and ADA access between existing apartments /residential areas to multiple commercial developments.

As represented on the attached tabulation of bids, two (2) bids were received for this project that ranged from \$298,012.50 - \$309,055.00 for this project. The low bid was from Phillips Contracting Co., Inc. The bid was reviewed based on the bidding criteria established for the Project and it appears that the proper proposal documentation was submitted as required by the Contract Documents. The pre-bid estimate for the project was \$327,935.00.

Thus, it is our recommendation that the City award this contract in the amount of \$298,012.50 to Phillips Contracting Co., Inc. for the referenced project, and authorize the Mayor to execute the contract per the conditions set forth in the Contact Documents for this project. We appreciate the opportunity to be of service to you and to be involved with this project. Please let us know should have any questions or require additional information.

Sincerely,
DABBS CORPORATION
