

# AGENDA REQUEST

**TO:** Mayor and City Council

**FROM:** Brad Robinson, Fire Chief

**DATE:** July 16, 2024

**SUBJECT:** IN THE MATTER OF TUPELO FIRE DEPARTMENT PROPERTY INVENTORY ADJUSTMENT – SURPLUS **BR**

---

**Request:**

We have been completing an internal audit on inventory and need to adjust the current Fire Department Inventory. The 1993 EOne Pumper, that was bid on and approved, in the July 2<sup>ND</sup> Council Meeting, had an updated LED bar Light, that is part of the inventory. We are asking to remove this item from the inventory for Surplus.

We have five, Phillips AED’s Automated External Defibrillators that are not compatible with the new current AED’s purchased in 2023. The 5 AED’s were traded in for new AED’s to receive a lower purchase price. We are asking to remove these 5 AED’s as Surplus from the current inventory list.

<u>Asset</u>	<u>Description</u>	<u>TAG #</u>	<u>Details</u>
• 2746	64” inch LED Bar Light	12125	purchased for \$2,829.00 in 2/12/2009
