1. BASIC INFORMATION

Purpose of the Funding

The Office of Justice Programs (OJP) is committed to advancing work that furthers the U.S. Department of Justice's (DOJ) mission to keep our country safe and secure and uphold the rule of law and protect the rights of American citizens. OJP provides federal leadership, funding, and other critical resources to directly support law enforcement, combat violent crime, protect American children, provide services to American crime victims, and address public safety challenges, including human trafficking and the opioid crisis.

This is a notice of funding opportunity (NOFO) for the **BJA FY2025/2026 Project Safe Neighborhoods (PSN) Formula Grant Program**. This opportunity provides combined FY 2025 and FY 2026 appropriations to support comprehensive violent crime reduction strategies coordinated by the U.S. Attorney's Offices (USAOs) in the 94 federal judicial districts throughout the 50 states and the U.S. territories.

PSN is a nationwide initiative that brings together federal, state, local, tribal, and territorial law enforcement officials, prosecutors, community-based partners, and other stakeholders to address violent crime through coordinated enforcement strategies that target criminal organizations, dangerous offenders, and threats to public safety, including those posed by transnational criminal organizations (TCOs), drug trafficking, human trafficking, and violent criminal aliens. This program is a central element of the DOJ's efforts to empower prosecutors and law enforcement to protect their communities from ongoing threats and to implement the core policy objectives of "[Operation Take Back America](#)."

The purpose of the PSN Program is to facilitate coordinated federal, state, local, tribal and territorial law enforcement efforts in each federal judicial district to create safer neighborhoods through sustained reductions in violent crimes. The three overarching core principles of PSN include:

1. Rapid response to violent crime
 - Charging the most serious, readily provable offenses with enhanced penalties where appropriate.
 - Prompt charging to ensure consequences are quickly enforced.
2. Strategic federal, state, local, and tribal partnerships
 - Strategic partnerships, coordination, and information sharing among federal, state, local and tribal law enforcement and other public safety partners to target dangerous offenders and criminal networks, including criminal aliens.
3. Accountability and deterrence to promote public safety

- PSN District Plans and annual reporting of accomplishments are tools for accountability and key for assessing PSN progress.

The PSN District Plan, which replaces what was formerly called the PSN Strategic Plan, provides a framework to identify specific strategies that USAOs will use to implement PSN according to the three core principles listed above and the priorities laid out in March 2025 “[Operation Take Back America](#)” memorandum. The strategies and focus areas identified in each District Plan inform the priorities, project goals, and objectives for use of this program’s grant funding.

This program awards formula funds to certified fiscal agents in each federal district to support the implementation of the district’s PSN strategies. **See the Eligibility section for complete fiscal agent requirements and responsibilities.** The selected fiscal agent will make subawards to or enter into contracts with entities that will carry out activities supporting the district’s PSN grant strategy.

The PSN Team in each federal judicial district, under the direction and guidance of the applicable USAO, will develop a District Plan to address the district’s most pressing violent crime problems and that align with the DOJ’s violent crime strategy. The PSN Team identifies strategies that should be prioritized for grant funding. All funding decisions must be made by a non-conflicted, non-federally employed PSN selection committee. The fiscal agent administers the awards and the PSN Coordinator serves as a liaison between the agencies and individuals.

See the [Eligible Applicants](#) section for eligibility details.

2. ELIGIBILITY

Eligible Applicants

The types of entities that are eligible to apply are:

Other

“Other” Entities Definition:

- Certified PSN Team fiscal agents for the federal judicial districts

While developing your application, applicants should refer to the 2025/2026 PSN allocation amounts for their district. You can access the allocations here: <https://bjaojp.gov/program/psn/overview>.

Fiscal Agent Roles and Responsibilities

All fiscal agents must be certified by the relevant district's United States Attorney (USA). Eligible USA-certified fiscal agents include states, units of local government, educational institutions, faith-based and other community organizations, private non-profit organizations (including tribal nonprofits), and federally recognized American Indian tribal governments (as determined by the Secretary of the Interior).

It is strongly recommended that fiscal agents have experience overseeing and accounting for funds, especially federal grant funds.

Each fiscal agent will be required to fulfill the following responsibilities:

- **Application and Subaward Management:**
 - o Organize, draft, and submit the required PSN application and subaward materials based on project information provided by the PSN Team and Selection Committee

- o Write subaward notices of funding opportunities that align with DOJ priorities (if applicable)
 - o Draft contracts and subaward notices using project-related information from the PSN Team (if applicable)
 - o Post and distribute NOFOs (if applicable)
 - o Notify subrecipients and vendors of award selection
 - o Establish a process to award and monitor each subaward to ensure recipients adhere to the financial and administrative rules in the DOJ Grants Financial Guide
- **Financial Management:**
 - o Account for all funds awarded
 - o Draw down federal funds as needed and keep the PSN Team informed about challenges and problems
 - o Make payments to each contractor or subrecipient and keep the PSN Team informed about challenges and problems
 - o Charge only the approved indirect cost rate to cover costs associated with implementing the PSN grant strategy
 - o Retain up to 10% of the grant allocation for administrative costs
 - **Compliance and Reporting:**
 - o Prepare all required federal reports
 - o Work with BJA staff to submit Grant Adjustment Modifications (GAMs) as needed
 - o Provide requested information and revisions in a timely manner
 - o Work with federal monitors and auditors as needed
 - o Complete the DOJ Grants Financial Management training online or in person within 120 days of accepting the federal grant award, unless the fiscal agent award administrator and financial manager have already done so
 - o Ensure compliance with all award conditions

Note: All grant funding decisions must be made by a nonfederal, nonconflicted PSN selection committee. However, in some instances, nonfederal, nonconflicted PSN Team members may determine that the fiscal agent is the most appropriate entity to carry out aspects of the district's PSN grant strategy in addition to administering the grant. In these cases, the fiscal agent can retain PSN funds beyond the 10 percent administrative allocation to support allowable activities associated with implementing the PSN grant strategy. The fiscal agent's grant application and budget must reflect input from the PSN team, the agreed-upon distribution of funds for all proposed grant project goals, and clear documentation of the decision and team participants.

Cost Sharing (Match) Requirement: This NOFO does **not** require cost sharing (match).

Additional Eligibility Factors

Certifications: You must submit the following certifications. See [Additional Application Components](#) for how to submit.

Fiscal Agent Certification Letter: The applicant will provide a letter to BJA signed by the applicable USA certifying the fiscal agent applicant. If an applicant is a fiscal agent or other entity that has not received the required certification by its local USA, its application will not be considered for funding.
