REFERENCE: RECOMMENDATION OF AWARD OF CONTRACT
FIRE STATION NO. 5 METAL BLDG. / EQUIPMENT SHED
BID NO. 2026-017FD

Dear Chief Robinson:

I am pleased to submit to you, along with the Mayor and City Council, our conclusions and recommendations regarding the award of the construction contract for the referenced project. Bids were opened at Tupelo City Hall on Thursday, March 26, 2026 at 10:00 AM local time.

This project includes the providing of materials & construction of a new metal building at the future site of Fire Station No. 5 in the City of Tupelo. As represented on the attached tabulation of bids, seven (7) bids were received for this project that ranged from \$219,310.00 - \$281,550.00 for this project. The low bid was from Hooker Construction, Inc. The bid was reviewed based on the bidding criteria established for the Project and it appears that the proper proposal documentation was submitted as required by the Contract Documents.

Thus, it is our recommendation that the City award this contract in the amount of \$219,310.00 to Hooker Construction, Inc. for the referenced project and authorize the Mayor to execute the contracts per the conditions set forth in the Contact Documents for this project. We appreciate the opportunity to be of service to you and to be involved with this project. Please let us know should have any questions or require additional information.

Sincerely,
DABBS CORPORATION
