Detailed Explanation of Loss: (In case of theft, robbery or mysterious disappearance, show the name of the Police Department notified and the date the loss was discovered. If such loss was not reported to a Police Department at the time of the discovery, give a complete explanation of such failure.)
Many of the missing items are very old. I do not believe any of these items were stolen. I believe most items have been misplaced or were broken/defective and returned to the company. It's possible the inventory was not updated to reflect the returning of property. This is my first year as Commander of NMNU, and WE HEREBY STATE UNDER OATH THAT THE ABOVE FACTS ARE TRUE AND CORRECT TO THE BEST OF OUR KNOWLEDGE. Cannot speak for prior years' inventory.
