

To: Honorable Todd Jordan, Mayor
Tupelo City Council
Planning Committee

Dear City Leaders,

As Ward 5 property owners and residents living near property of the proposed Tulip Creek Development, a 48 unit rental apartment complex, we respectfully submit this petition to voice our opposition to Tulip Creek Development being located near our properties.

Our opposition is based upon:

1. The proposed rental apartments would negatively impact our property values.
2. The proposed rental apartments, if located on North Eason Blvd, would be a public safety hazard.
3. There may be an environmental risk to locating this development near APAC Asphalt Plant on North Eason Blvd.

Thank you for listening to our concerns and doing what is in the best interest of the citizens of Tupelo.
