Continuing coordination with the utility relocation project and meeting with property owners to obtain construction easements. A few Temporary Construction Easements still need to be obtained. Johnny Timmons to meet with contractors tomorrow to get update on timeline.

EASON BLVD (S VETERANS TO BRIAR RIDGE)

Currently continuing to work on plans design. Approximately 90% complete.

Greg Pirkle asked Kim Hanna if the budget is in good enough shape for both Eason and Jackson-Airpark to Coley projects to be underway at the same time. She answered that payments will most likely not come out of this year's budget. Both projects should be able to be coordinated at the same time.
