Bruce Dodson - Retirement Letter

I have enjoyed my career at the Tupelo Police Department, but I am ready to pursue other opportunities. My last day will be 6/30/22. I submitted all required paperwork to HR on 6/13/22.

I would also ask that I be allowed to purchase my duty weapon as part of my retirement.

Thank you for everything over the years. I have always been proud to be part of the Tupelo Police Department.
