Please accept this letter of request to move forward with a sole source purchase from L-Tron Corporation. This purchase will be made for the Tupelo Police Department Criminal Investigation Division. The item being purchased is a data and evidence collection tool that uses extremely advanced spherical photos to document a scene and stitch the photo with critical data. The specific technology involved in this item is only available from one developer being the L-Tron Corporation. The sole source letter outlining the system break down is attached for review.
