

Gentlemen,

Please let this email serve as official notification that **March 19, 2021** will be my last day of employment with the Tupelo Police Department.

I am very grateful to have been able to serve the community alongside the courageous men and women of the department, as I am equally appreciative of the opportunities and trust placed in me by the TPD Administration throughout my career. As I move on to another chapter in life, my prayer is that the choicest of God's blessings be upon my Brothers and Sisters of MY TPD FAMILY and that the Lord keep each of you safe daily.

Yours Truly,

[Lt. Robert Harper](#)
