Dear Mayor Jordan,

I recommend the mayor and City Council approve Arizon as the sole-source provider for the installation and dismantling of the air structure (Bubble) covering our four tennis courts. Arizon possesses the specific technical expertise and experience necessary for this specialized project. Their established history with similar installations ensures a seamless process and minimizes potential delays. This structure is essential for maintaining winter tennis play, a significant recreational benefit for our community. I urge the mayor and City Council to approve this recommendation, ensuring the continued availability of this valuable amenity.

If you have any questions or concerns please call or email me at 662-841-6440 or alex.farned@tupeloms.gov.

Sincerely,

Alex Farned, M.S.
