Definitions:

"PH Bidding Group" shall mean the provider of a Reverse Auction Event Platform used in conjunction with Buyers to negotiate pricing on desired service, goods or information.

PH Bidding Group makes no warranty concerning information approved by its clients for use in reverse auction events.

2 – PH Bidding Group cannot and will not be held liable for delays in reverse auction events, server failures or changes in scheduling for reverse auction events.

3 – You acknowledge that PH Bidding Group is merely the conduit through which pricing is achieved for the benefit of our clients, and not an endorsement of our clients' creditworthiness, ability to perform upon a contract or agreement, nor the proper use of materials, equipment or any other service or goods purchased through the use of our reverse auction software. PH Bidding Group shall not be held liable clients' failure to perform or award upon a given reverse auction event. All agreements that arise between suppliers and buyers are then the sole responsibility of those two parties, wherein PH Bidding Group shall be indemnified.

4 – This agreement shall be good for a one time use of PH Bidding Group's reverse auction strategic procurement solution. **Only through acceptance of this agreement are you permitted to utilize the bidding platform.** In the event that you violate any of the terms of any part of this agreement, PH Bidding Group may, in its sole and absolute discretion, terminate your ability to access the platform. In the event that PH Bidding Group terminates your access to the reverse auction software for any reason, neither you nor your assigns, affiliates, employers, employees or subsidiaries or beneficiaries shall have a claim against PH Bidding Group, its employees, assigns or beneficiaries.

5 – PH Bidding Group shall provide basic training and basic instruction concerning operation of the supplier side functions of its reverse auction software, which is operated entirely online. Supplier shall be solely responsible for his or her attendance to this training. PH Bidding Group shall make reasonable efforts to accommodate training to Supplier’s schedule, but Supplier acknowledges that he or she is ultimately solely responsible for attendance. 7 – It shall be the sole and absolute responsibility of the Supplier to meet all deadlines for specification responses and sample presentations or the attending of any pre-bid conferences or any other functions as may be required from time to time by either PH Bidding Group or the Buyer. Failure to meet any of these deadlines or appointments does not entitle the supplier to an extension of the deadline or a delay in the scheduled date of the reverse auction event. Supplier shall also be solely responsible for his own access to the Internet. If Supplier has no access to the Internet and is unable to locate access on his own, PH Bidding Group may, at its sole and absolute discretion, assist Supplier in locating sufficient Internet access for the purposes of participating in a contemplated Reverse Auction Event. Supplier also agrees that he is solely responsible for using his access to the Internet in a responsible manner in conjunction with this Reverse Auction Event so as not to intentionally interfere with another Supplier’s access to the Reverse Auction Event.

9 – Suppliers agree that any and all information they provide shall be accurate and truthful. PH Bidding Group shall take reasonable precautions deemed necessary in its sole and absolute discretion to protect and safeguard that information but shall not be held liable in the event of a breach of that security. In the event your information becomes compromised, PH Bidding Group will issue you a new password.

10 – Supplier agrees that he has no right to transfer this one-time use license.

11 – Supplier agrees that he shall have no claim against PH Bidding Group for any virus that may infect the hardware or software of the supplier as a direct or indirect result from the use or perceived use of PH Bidding Group’ reverse auction software.

12 – Supplier agrees that his sole remedy in the event that supplier determines he dislikes the reverse auction process or service is to stop using the service.

13 – Supplier agrees that he will neither share nor leak his password to the service for the purpose of allowing competitors of PH Bidding Group to view the reverse auction process, or allow unauthorized persons to view a Reverse Auction Event for the purpose of providing information to other unauthorized users, regardless of intent or consequence. In the event of a breach of this section of the agreement, PH Bidding Group may, in its

sole and absolute discretion, remove access to the Reverse Auction Event or any other portion of Internet based material from the Supplier.

14 – Supplier agrees that in the event of an Internet or server failure on the side of PH Bidding Group, arrangements may be made by PH Bidding Group in conjunction with the buyer for an alternate date for the Reverse Auction Event. Suppliers shall have no claim against PH Bidding Group, its employees, assigns or beneficiaries.

15 – An investment of time and financial resources is necessary for the continued operation of Reverse Auction Events run on PH Bidding Group platform. Therefore, a transaction fee based solely upon the final awarded purchase price shall be charged to the supplier. This transaction fee shall be self-assessed by the Supplier, who, by participating or reviewing or viewing PH Bidding Group' Reverse Auction Platform, website or information prepared by or in conjunction with PH Bidding Group, acknowledges receipt of service from PH Bidding Group regardless of the means of the final arrangement of pricing, whether through PH Bidding Group's Reverse Auction Event or other direct negotiations or bids. Supplier agrees that if he or she at any time has used the Reverse Auction platform or any portion or part of the software or Internet platform or website or information provided by or prepared by or in conjunction with PH Bidding Group for purposes of a contemplated bid, the fees described within this agreement as being due to PH Bidding Group shall be due in full in accordance with normal billing procedures set forth herein and are fully earned by PH Bidding Group.

Fees shall be paid to PH Bidding Group in the following manner:

All fees, in full, shall be due to PH Bidding Group within 15 calendar days of payment by the purchasing entity to the winning vendor for equipment, materials or other items by the Buyer. Partial payments shall not be accepted, and payments which are not received within 60 calendar days shall immediately accrue interest at the rate of 2% monthly plus a recurring monthly service fee of \$50. Supplier agrees that after 90 (ninety) days of non-payment, Supplier shall be considered in default of this agreement by PH Bidding Group and subject to all necessary and legal means of collection of this debt. In addition, Supplier agrees to pay all fees and lost monies required to collect Suppliers debt to PH Bidding Group. Jurisdiction for all collection efforts shall be Tupelo, Mississippi exclusively.

Suppliers should ensure that their total bid includes all fees due PH Bidding Group. Supplier agrees that it is his sole and absolute responsibility to include fees due PH Bidding Group with all submitted bids.

Supplier agrees that any and all future orders or transactions arising from the use of PH Bidding Group' Reverse Auction Event Platform shall be subject to the fees listed above and payable based upon the same guidelines. Future orders and transactions shall include but not be limited to, accessories, modifications or aftermarket equipment.

16 – By participating in this Reverse Auction Event or by viewing materials associated with this Reverse Auction Event, Supplier agrees not to attempt circumvention or contemplate circumvention or enter into any agreement that would circumvent this agreement in any way, whether intentional or unintentional which results or may result in avoiding fees due to PH Bidding Group or negotiating directly with Buyer or avoids or attempts to avoid the Reverse Auction Event.
