AWARD
any and all Bids.

The Owner has the right to reject

The award will be made based on the lowest and best bid for the base bid or for the base bid and any combination of alternate bids, as the Owner chooses.

The responsiveness of the Bidder will be determined by the completeness and regularity of the Bid, without excisions or special conditions and having no alternative Bids for any items unless provided for on the Bid Form. The responsibility of the Bidder will be determined by whether or not he maintains a permanent place of business, has adequate plant equipment to do the work properly and within the time limit that is established and has adequate financial status to meet his obligations contingent to the work.

Performance and Payment Bonds and Certificates of Insurance are NOT REQUIRED for MATERIAL ONLY CONTRACTS.

A PERFORMANCE BOND and a PAYMENT BOND, each in the amount of 100 percent of the CONTRACT PRICE, with a corporate surety listed on the Treasury Department's most current list (Circular 570 as amended), approved by the OWNER, will be required for the faithful performance of the contract.

Attorneys-in-fact who sign BID BONDS or PAYMENT BONDS and PERFORMANCE BONDS must file with each BOND a certified and effective dated copy of their Power of Attorney.

The party to whom the contract is awarded will be required to execute the Agreement and obtain and submit the PERFORMANCE BOND, PAYMENT BOND and CERTIFICATES OF INSURANCE within ten (10) calendar days from the date when NOTICE OF AWARD is delivered to the BIDDER. The NOTICE OF AWARD shall be accompanied by the necessary Agreement and BOND forms. In case of failure of the BIDDER to execute and submit the Agreement, the PERFORMANCE BOND, the PAYMENT BOND and CERTIFICATES OF INSURANCE the OWNER may at his option determine the BIDDER in default, in which case the BID BOND accompanying the proposal shall become the property of the OWNER.

The OWNER within ten (10) calendar days of receipt of acceptable PERFORMANCE BOND, PAYMENT BOND, CERTIFICATES OF INSURANCE and Agreement signed by the party to whom the Agreement was awarded, shall sign the Agreement and return to such party an executed duplicate of the Agreement, and issue a NOTICE TO PROCEED. Should the

OWNER not execute the Agreement within such period, the BIDDER may by WRITTEN NOTICE withdraw his signed Agreement without further liability on the part of either party. Such notice of withdrawal shall be effective upon receipt of the notice by the OWNER. Should there be reason(s) the NOTICE TO PROCEED cannot be issued within such period, the time may be extended by mutual agreement between the OWNER and CONTRACTOR. If the NOTICE TO PROCEED has not been issued within the ten (10) calendar day period or within the period mutually agreed upon, the CONTRACTOR may terminate the Agreement without further liability on the part of either party.

The OWNER may make such investigations as he deems necessary to determine the ability of the BIDDER to perform the WORK, and the BIDDER shall furnish to the OWNER all such information and data for this purpose as the OWNER may request. The OWNER reserves the right to reject any BID if the evidence submitted by, or investigation of, such BIDDER fails to satisfy the OWNER that such BIDDER is properly qualified to carry out the obligations of the Agreement and to complete the WORK contemplated therein.

THE CONTRACT

Where all or part of the work is to be unit price work, the estimated item quantities set out in the Bid form are not guaranteed and are solely for the purpose of comparison of Bids; payment will be made on the actual quantity of each item installed and accepted. It is understood that the quantities of items may be increased and decreased for which payment will be made at the unit price Bid. Box 1526, Tupelo, Mississippi 38802, a written request for an interpretation. No oral interpretation will be made to any Bidder as to the meaning of any of the Contract Documents, or no oral interpretation shall be effective to modify any of the provisions of the contract documents. The Engineers will make interpretations by duly issued Addenda which will be mailed or delivered to Bidders of record receiving copies of the Contract Documents; and neither the Owner nor the Engineers will be responsible for any other explanation or interpretation of the documents.
