williamtimmons@comcast.net

I am a 65-year-old retired Chief Warrant Officer Five Mississippi Army National Guard Aviator with 37 years continuous service having deployed to Iraq during the Global War on Terrorism for four separate yearlong combat deployments. I am a lifelong resident of Tupelo having attended and graduated in 1977 from the Tupelo Public School System.

I have a Bachelor of Science degree in Administration from Charter Oak State College in New Britain, Connecticut. I feel can bring to the Tupelo Police Department Citizens Board leadership skills obtained while serving in various assigned positions. These positions were an Aviation/Ground Safety Officer, Administration Officer, and a Combat Helicopter Air Mission Commander. I continuously held a Top-Secret Clearance with periodic reinvestigations every five years. In regard to the required local Police records check of me; my date of birth is [REDACTED] and my Social Security number is [REDACTED]

I am and have been a part owner in a family business in Tupelo for the past twenty years in good standing. I am married with two adult children and two grandchildren. Therefore, my love for my hometown of Tupelo and its residential community is the reason I wish to be considered to serve on the Tupelo Police Department Citizens Board.

I have no physical limitations that preclude me from serving the full term and consider myself in excellent health.

In closing, I look forward to the opportunity of a face-to-face meeting if so desired and provide more information as needed.
