#### Agreement for Adjustment of Software Licenses

It is the understanding of VeriPic, Inc. that the Tupelo Police Department (CUSTOMER) has requested a change in the licenses owned by the CUSTOMER.

VeriPic, Inc. has agreed to honor this request and make this change on our records. As of 3/1/2022, our records show that licenses purchased prior to this date give you, the CUSTOMER, the following effective configuration for all the licenses owned by your organization for all purchases prior to this date.

Licenses owned prior to 3/1/2022:

15 Digital Evidence Manager User Licenses  
Active Directory Module

CUSTOMER has requested that the licenses be adjusted to the following configuration starting today going forward. No further claims are made to any licenses purchased in the past. For all purposes starting today and moving forward the following is the configuration of licenses owned by your agency. Any future purchases or other adjustments to your licenses owned will be based on additional purchases as adjustments starting from the following baseline configuration:

15 Digital Evidence Manager Cloud Licenses  
11 Evi-Pad Phone Application Licenses  
SAAS Configuration (replaces SLMA): \$5,412.00 due by 2/28/2023

This will be referred to as the NEW SOFTWARE LICENSE BASELINE.

Once this transaction is completed, CUSTOMER makes no claim to any licenses in the past configuration that they may be giving up nor would CUSTOMER be asking for any consideration or value for any of the licenses they are voluntarily giving up.

Starting with your next renewal period, your SaaS Subscription costs will be based on the NEW SOFTWARE LICENSE BASELINE using the then current VeriPic Price list at any future renewal periods and will incorporate any future purchases of licenses you make as adjustments to your license configuration starting with the NEW SOFTWARE LICENSE BASELINE.

Notwithstanding the foregoing license modifications, all other terms and conditions stated in our End User License Agreement and quotes on which CUSTOMER executed a purchase shall remain in full force and effect.
