

DSJ CREATIVE DESIGNS, PLLC

02 December 2023

DSJ Creative Designs, PLLC was created in Jan of 2019 as a residential architectural design firm. As business grew over the next few years, the need to expand to commercial work grew. On March 1st of 2022, the decision to venture out as a sole proprietor Veteran owned business was made.

DSJ Creative Designs, PLLC, are passionate about turning your architectural dreams into reality. As experts in the field, we specialize in creating innovative and captivating designs that not only meet your needs but also make a lasting impression. Our dedicated passion for design allows us to work to bring your visions to life through a seamless fusion of creativity, technical skill, and a deep understanding of your unique style and requirements. With a steadfast commitment to excellence, DSJ Creative Designs, PLLC strives to transform spaces and lay the foundation for an unforgettable experience. Trust us to be your partners in crafting architectural masterpieces that inspire awe and admiration for years to come.

David Jones is an Air Force Veteran, a 1998 graduate of Mississippi State School of Architecture, and a seasoned architect based in Mississippi, boasting over 25 years of experience in the industry. His extensive tenure has seen the completion of a plethora of projects that span across diverse institutions, demonstrating a versatile portfolio that reflects his ability to adapt to various architectural challenges. With an eclectic mix of commercial, residential, and public works in his repertoire. Jones has achieved a reputation for his innovative design approach and committed professionalism. His architectural solutions not only meet pragmatic needs, but also respect the cultural and natural environment of each project's locale. Honoring a commitment to excellence in the field, Jones's career stands as a testament to his wealth of knowledge, solid experience, and refined architectural philosophy.
