SUBJECT: Donation of vehicles

I was appointed Chief of Police on September 7, 2021, one of my goals were to determine what could be done to make the department better and provide safety to all citizens. As of now the grant funding for this year is closed until 2022, and our town only have (1) one running vehicle and (2) outdated Crown Vic's with transmission problem which is used to patrol our town which have a population of 1300 people also which Alternate 45 a major highway travel through our town. We have a staff of 7 officer's as of now patrolling the town.

Although we have some support, due to budget and funds we are unable to complete this task alone. Having better equipment and vehicles, will make a substantial difference in our town. If the City of Tupelo could donate some of your older vehicle would be a great help and asset to our town and police department.

If there are any questions or clarifications needed, please do not hesitate to contact me or via information above.

Thanks,

Chief Reginald D. Adams
