Todd Jordan
Mayor, City of Tupelo
PO Box 1485
Tupelo, MS 38802

Dear Mayor Jordan,

I am asking that you and the city council approve the purchase of a scoreboard for the Tupelo Aquatic Center as a sole source purchase. This particular scoreboard is manufactured by Colorado Timing and is the only one that will interface with the other scoreboard and the current timing system that is installed in the Aquatic Center. This is very important because when we host swim meets we need the two scoreboards to be able to communicate with each other and this is very important when hosting a quality event. The cost of the scoreboard is \$43,500 plus shipping and we do have the money in our budget to make this purchase.

If you have any questions or concerns please call or email me at 662-841-6440 or alex.farned@tupeloms.gov

Sincerely,

Alex Farned, M.S.
Director, Tupelo Parks and Recreation

City of Tupelo
RE: Tupelo Aquatic Center

For over forty years, Colorado Time Systems (CTS) has established the performance standard in electronic swim timing by providing factory direct sales as well as an extensive distributor and customer service network. This standard is maintained by the superior design and technology of our products.

There are many differences among sports timing and display manufacturers' equipment. In sports timing, it is important to understand there are advantages to the purchaser to have a complete timing system manufactured by one company, rather than various manufacturers. Often, claims that manufacturers make about interfacing with another manufacturer's products are unreliable.

Obviously, equipment that is designed concurrently will be guaranteed to work together, whereas mixing components from various manufacturers will result in an unnecessary liability being placed in the hands of the customer. This ends up costing the customer more money and ownership of a system that will not operate efficiently. City of Tupelo and the Tupelo Aquatic Center currently have CTS equipment and video equipment that was purchased and installed at the center.

Colorado Time Systems is the sole manufacturer and provider of the Gen7 Legacy Timer and the sole provider of swimming specific Yaham Video Displays in the United States.

We look forward to continuing our relationship with your organization. Please feel free to contact us for additional information.

Best Regards,

Rick Connell
VP-General Manager
RC/AB

NOTE: If you are interfacing Hy-Tek Meet Manager with your matrix display, the “Alpha Scoreboard INTERFACE to Display Names/Results” option needs to be purchased through Hy-Tek
<https://hytek.active.com/>

TERMS: Purchase order or 50% down, net 30 days. Visa, MasterCard or American Express are acceptable. Quote does not include power, permits, engineering fees, delivery charges or installation, unless otherwise noted. Change order fee of 5% will apply after purchase. Returns are subject to a 25% restocking fee; custom orders including Matrix displays are nonreturnable.

Unless noted, the above pricing **DOES NOT** reflect cooperative agreement pricing, including but not limited to BuyBoard, U.S. Communities, TIPS, GoodBuy, YMCA Shared Services. Please reach out to your regional sales manager for additional information regarding the contracted pricing.

WARRANTY: Two Year limited Warranty

SHIPPING: Estimated 4-6 weeks after receipt of order plus transit time, Video displays estimated 18-20 weeks minimum after receipt of order.

Shipping charges are estimated and subject to change. Tailgate delivery, all unloading is done by receiver. If inside delivery is needed, please call our Sales Team at (800) 279-0111, option 2. Any additional fees will be billed to end user/facility.

TAXES: **If purchaser is tax-exempt or purchasing for resale, a copy of purchaser’s tax-exempt certificate shall be required at time of order. If purchaser’s tax-exempt certificate is not available purchaser shall be charged all appropriate tax.**

FORCE MAJEURE: No Party to this Agreement shall be responsible for any delays or failure to perform any obligation under this Agreement due to acts of God, outbreaks, epidemic/pandemic or the spreading of disease or contagion strikes or other disturbances, including, without limitation, war, insurrection, embargoes, governmental restrictions, acts of governments or governmental authorities, and any other cause beyond the control of such party. During an event of force majeure, the Parties' duty to perform obligations shall be suspended.

NOTE: Price quotations valid for 30 days. All quotations are in U.S. Dollars.

Best Regards,

Rick Connell
VP-General Manager

Customer #

Colorado Time Systems. (CTS) is pleased to supervise and/or assist with the installation of CTS products at your facility.

To provide you with professional assistance, CTS requires all of the following items prior to our arrival:

1. 120 VAC circuits must be supplied to each Display or Scoreboard as designated in the electrical information provided by CTS and ongoing access must be given to the electrical switches and or breakers as necessary. (CTS highly recommends the addition of a main power ON/OFF switch for each scoreboard location at a location readily available to the equipment operators.)
2. PVC conduits with wall/deck boxes must be installed per CTS specifications and must have pull strings in place.
3. Equipment for installation must be physically present at installation location and readily available.
4. Mounting location (wall) must be of CMU type material. If not, a special structural mount may be required for the Display/Scoreboard; it must be completed prior to the arrival of CTS's Customer Service Specialist.
5. A two-man scissors lift (or equivalent) must be provided, and available for the entire time the CTS Customer Service Specialist is on-site.
6. All deck work must be completed (concrete, tile, grout, etc.), all painting in the vicinity of the install location must be completed and the installation areas must be free of any obstructions (including dust, dirt, construction materials, and trash) prior to the arrival of CTS's Customer Service Specialist.
7. Two semi-skilled labors must be available to assist with the installation process under the direction of the CTS's Customer Service Specialist, and be dedicated for that sole purpose. The number and quality of laborers determines the time necessary for completion.

Is the labor to be provided Union Workers YES

NO

8. Your intended equipment operators of the CTS products must be available for a training session to be conducted by the Customer Service Specialist. The training session typically occurs on the last day of the installation process, but this is to be scheduled thru the Customer Service Specialist and may be subject to change.
9. Pictures (digital or otherwise) of any intended mounting location(s) of scoreboards, etc.

As your equipment arrives from CTS, please keep all the boxes and pallets together. If the packages show visible damage, it is permissible to check the contents for damage. We ask that you immediately report any damage to your CTS Sales Representative.

Initial here: _____

Please indicate on the line below, any deadline dates such as grand openings, competitive meets, of which you would like to have the installation completed for.

DATES: _____

Date you may require the installation assistance/ supervision to occur: _____

When committing CTS to an install date, please verify that the installation location will be ready for installation on the agreed date as postponement of this date will be subject to a \$500.00 rescheduling fee and possible lengthy delays (typically 4 to 6 weeks). If the Customer Service Specialist arrives at the installation location and determines that installation or training can not take place due to non-compliance of items 1 thru 9 or consequences beyond CTS's control a \$2500.00 fee will be imposed to cover the costs of a second trip to your installation location.
