VI. PROPOSAL OPENING

Proposal openings, whether electronic or traditional paper method, shall be conducted any time after they are received. From that point forward, proposals will be considered under advisement. The City of Tupelo may conduct written or oral discussions with potential bidders.

Pricing will only be accepted through the Reverse Auction process by vendors that are approved through the multi-step process. Un-priced proposal openings shall be conducted any time after they are received. From that point forward, unpriced proposals will be considered under advisement. The City of Tupelo may conduct written or oral discussions with potential bidders. The City of Tupelo reserves the right to determine responsive offers or proposals, waive minor informalities in the process, reject any and all offers or proposals, and to invite priced bids from those companies believed most advantageous to The City of Tupelo.

It is understood that bidders who submit proposals have read, understood and accepted these specifications as written, and by submitting a proposal, agree to meet the specifications as written. Proposal modifications, alterations or corrections received after the closing time specified shall not be considered. Proposals must remain valid for a minimum of 60 days from the opening date. The City of Tupelo is a Tax-Exempt Government Entity.

If you are selected to receive an invitation to provide priced bids, complete instructions for participation in the reverse auction and submitting priced bids shall be provided in the invitation.

VII. REVERSE AUCTION

Vendors submitting their unpriced proposals before the bid deadline and meeting the minimum specifications will be invited to participate in the Online Reverse Auction. The reverse auction will begin on **May 23, 2024, at 10:00 AM CST**. Full instructions regarding registering for the reverse auction will be included in the invitation.

The Online Reverse Auction is an auction event in which bidders submit pricing in a decreasing manner. In PH Bidding Reverse Auctions, all bidders will be able to see their ranking in the bid process and will have the opportunity to lower their bid as often as possible if they see fit.

The reverse auction will be set for an initial 30-minute time slot. Bidders can begin entering their bid price and delivery time once the bid has started. Vendors will not be able to see other vendors' pricing. Each vendor will be able to see their bid ranking once their bid is entered. If you are the lowest bidder when your bid is entered, you will see a (1) beside your bid. If you have the second lowest bid, you will see a (2) beside your bid, (3) for third, etc. If you enter your bid and are ranked 1st, you will need to continue watching to ensure that no bids have been entered that are lower than your bid amount. If a bid is entered that is lower than your bid, you will have an opportunity to enter a lower bid amount. There is an anti-sniping feature as part of this bid. Any bids submitted within the last 3 minutes of the bid will extend the bid time by an additional 3-minute extension and will continue until 3 minutes have gone by without a bid. At that point, the auction will end.

There is no benefit to waiting until the last minute to enter your bid during the reverse auction. You will not be able to see other bids during the auction, only your bid ranking. If you are in first place in bidding and your bid changes to (2), (3), etc., that means that someone has entered a bid that is lower than your bid. At that time, you can change your bid price if you would like.

****PH Bidding Group makes no recommendations on choosing the awarded vendor.**

Definitions:

“Buyer” shall mean any client or customer of PH Bidding Group who chooses or has chosen in the past to procure through the use of a Reverse Auction Event Platform or information provided by or in conjunction with PH Bidding Group.

“Reverse Auction Event Platform” shall mean the platform accessed within or from or in conjunction with the website address at <https://phbidding.procureport.com/>, which is used by various Buyers to procure services, goods or information.

- 1.) All information related to bids, projects, specifications, and terms of sale to potential clients of PH Bidding Group are based on information received directly from the client, and not necessarily approved by PH Bidding Group. PH Bidding Group makes no warranty concerning information approved by its clients for use in reverse auction events.
- 2.) PH Bidding Group cannot and will not be held liable for delays in reverse auction events, server failures or changes in scheduling for reverse auction events.
- 3.) You acknowledge that PH Bidding Group is merely the conduit through which pricing is achieved for the benefit of our clients, and not an endorsement of our clients' creditworthiness, ability to perform upon a contract or agreement, nor the proper use of materials, equipment or any other service or goods purchased through the use of our reverse auction software. PH Bidding Group shall not be held liable clients' failure to perform or award upon a given reverse auction event. All agreements that arise between suppliers and buyers are then the sole responsibility of those two parties, wherein PH Bidding Group shall be indemnified.
- 4.) This agreement shall be good for a one-time use of PH Bidding Group's reverse auction strategic procurement solution. Only through acceptance of this agreement are you permitted to utilize the bidding platform. In the event that you violate any of the terms of any part of this agreement, PH Bidding Group may, in its sole and absolute discretion, terminate your ability to access the platform. In the event that PH Bidding Group terminates your access to the reverse auction software for any reason, neither you nor your assigns, affiliates, employers, employees or subsidiaries or beneficiaries shall have a claim against PH Bidding Group, its employees, assigns or beneficiaries.
- 5.) PH Bidding Group shall provide basic training and basic instruction (if requested) concerning the operation of the supplier side functions of its reverse auction software, which is operated entirely online. Supplier shall be solely responsible for his or her attendance to this training. PH Bidding Group shall make reasonable efforts to accommodate training to Supplier's schedule, but Supplier acknowledges that he or she is ultimately solely responsible for attendance. - 6.) It shall be the supplier's responsibility to comply fully with the terms and conditions set forth by clients of PH Bidding Group, and to ensure that supplier conduct falls within state purchasing laws.
- 7.) It shall be the sole and absolute responsibility of the Supplier to meet all deadlines for specification responses and sample presentations or the attending of any pre-bid conferences or any other functions as may be required from time to time by either PH Bidding Group or the Buyer. Failure to meet any of these deadlines or appointments does not entitle the supplier to an extension of the deadline or a delay in the scheduled date of the reverse auction event.

- 8.) Supplier shall also be solely responsible for his own access to the Internet. If Supplier has no access to the Internet and is unable to locate access on his own, PH Bidding Group may, at its sole and absolute discretion, assist Supplier in locating sufficient Internet access for the purposes of participating in a contemplated Reverse Auction Event. Supplier also agrees that he is solely responsible for using his access to the Internet in a responsible manner in conjunction with this Reverse Auction Event so as not to intentionally interfere with another Supplier's access to the Reverse Auction Event.
- 9.) It shall be the sole and absolute responsibility of the supplier to ensure that it meets all state and federal regulations with respect to product offerings and its ability to offer such items or services.
- 10.) Suppliers agree that any and all information they provide shall be accurate and truthful. In the event of a breach of this section of the agreement, PH Bidding Group may, in its sole and absolute discretion, remove access to the Reverse Auction Event or any other portion of Internet based material from the Supplier.
- 15.) Supplier agrees that in the event of an Internet or server failure on the side of PH Bidding Group, arrangements may be made by PH Bidding Group in conjunction with the buyer for an alternate date for the Reverse Auction Event. Suppliers shall have no claim against PH Bidding Group, its employees, assigns or beneficiaries.
- 16.) An investment of time and financial resources is necessary for the continued operation of Reverse Auction Events run on PH Bidding Group platform. Therefore, a transaction fee based solely upon the final awarded purchase price shall be charged to the supplier. This transaction fee shall be self-assessed by the Supplier, who, by participating or reviewing or viewing PH Bidding Group' Reverse Auction Platform, website or information prepared by or in conjunction with PH Bidding Group, acknowledges receipt of service from PH Bidding Group regardless of the means of the final arrangement of pricing, whether through PH Bidding Group's Reverse Auction Event or other direct negotiations or bids. Supplier agrees that after 90 (ninety) days of non-payment, Supplier shall be considered in default of this agreement by PH Bidding Group and subject to all necessary and legal means of collection of this debt. In addition, Supplier agrees to pay all fees and lost monies required to collect Suppliers debt to PH Bidding Group. Jurisdiction for all collection efforts shall be Tupelo, Mississippi exclusively.

Suppliers should ensure that their total bid includes all fees due to PH Bidding Group. Supplier agrees that it is his sole and absolute responsibility to include fees due PH Bidding Group with all submitted bids.

- 17.) By participating in this Reverse Auction Event or by viewing materials associated with this Reverse Auction Event, Supplier agrees not to attempt circumvention or contemplate circumvention or enter into any agreement that would circumvent this agreement in any way, whether intentional or unintentional which results or may result in avoiding fees due to PH Bidding Group or negotiating directly with Buyer or avoids or attempts to avoid the Reverse Auction Event. These circumvention techniques could include but shall in no way be limited to verbal agreements, bids written on paper delivered by any means or electronic communications, signals, or other means of communication.
