Dear Chris Lewis,

Please accept this letter as confirmation that Dexter Fortson Associates, Inc. (DFA) has been the sole source provider of Tupelo Water's SCADA System since 2010. DFA is the System Integrator for the existing SCADA System in use at Tupelo Water & Light.

Please accept my sincere thanks for your confidence in DFA and for allowing us to be of service to you. If you have any questions or comments, please do not hesitate to call.

Sincerely,

A handwritten signature in blue ink that reads "Jessica Jones".
