Which Committee, Commission, or Board do you wish to serve on?

The Lester Library Board

Do you have any special skills, knowledge, experience, or interest that relates to the above Committee, Commission, or Board?

I received my Masters in Nursing from UW-Milwaukee in 1999.

I ran a very busy Family Practice clinic with 4 staff members for over 20 years at a local clinic. During those years of employment I was involved in many committees and

decision making processes. It takes special organizational, leadership, and communication skills to manage a busy clinic. I am currently active on a number of other committees.

Do you have any conflict of interest related to the Committee, Commission, or Board for which you are applying (such as employed relatives, business or financial conflicts, etc.)?

Not that I am aware of- maybe a little biased as to what a wonderful library and staff our community has!
