Fire hose testing											
Water supply training											
Yearly fitness tests											
Training for part time recruits											
Tactical EMS training (active shooter)											

# Monthly Fire Operations Report for May 2022

## News

### Training

- The training theme for May was fire hoses. All hose testing was completed in May. This is an annual requirement that the NFPA sets as a standard for all fire departments complete.
- Our apparatus training topics were water supply and relay pumping.
- PPE training was cleaning review and inspection of each person's structural firefighting gear.

### POC Recruits

- In May the three newest POC recruits continued their task book training. This month they completed PPE drills, vehicle extrication training, and forcible entry training.

## Fire Operations

Fire Operations training:      **248** hours

Fire Inspections:              **29** Inspections, **8** Violations, **0** Correction, **30** hours

Public Education:              **2** CPR skills evaluations, **1** CPR classes, **5** students, Fire  
fighter for the day, **4** students.

These number reflect total training hours per member, not hours per training segment. For example: If there is a 2-hour training segment and there were 4 members that participated, the recorded time for the training would be 8 hours not 2 hours.

## Monthly EMS Training Report May 2022

*I would like to encourage all City of Two Rivers City Council members to contact me to set up a time that I can give you a personal view of TRFD operations and training. (920)-901-3810*

*I also encourage all council members to contact me to do a ride-a-long at the TRFD*

*Follow The City of Two Rivers Fire Department on Facebook to see pictures/videos of Training, Operational Events and Community Outreach.*

### Notable Events in May 2022

- EMS Protocols, Policies, and Education Continues (CDC, DHS, National/Local and Best Practice)
- Two Rivers Community Health Fair at TRHS
- Active shooter refresher training (ALL Shifts)
- FAP process completed
- Public Safety Mental Health Seminar
- FT/POC professional development and training (Refresher/Skills)
- All TRFD Paramedics continue with the 2021-2022 Paramedic/CCP Training Refresher
- Daily collaboration with relevant community partners (IFT)
- Daily communication with Medical Director (Operations/IFT related)
- Daily QI/QA shift EMS Education

### EMS: 120 hrs (3-4h/day average)

The TRFD EMS training program encompasses paramedic, critical care paramedic, and tactical paramedic training. EMS training or tasks connected to EMS training. The TRFD paramedics strive to offer empathic, competent and professional care that exceeds the expectations of those we serve. There are countless hours of EMS training each day at the TRFD. This training is formal and informal. TRFD paramedics have three formats of formal education: Target Solutions on-line assignments, Formal Lecture, and Practical Exercises. Dr. Painter, the TRFD Medical Director provides oversight to all TRFD EMS training, as well as QI/QA. The TRFD is committed to offer “best practice” care now and in the future.

**Training hours above are conservative.**

- *POC EMS/Paramedic Training*
- **Paramedic/Critical Care Paramedic Refresher (In-Person)**
- **Protocol (COVID Update)**
- **EMS Remediation based on QI/QA**
- **EMS Competencies/Evaluations/Education**

- **Medical Director collaborative QI/QA (Painter/Nelson)**
- **Pod/Web Casts (EMS1/EMS World/Various Others)**
- **Company level EMS training**
- **Paramedic QI/QA (all reports) Shift Officers/Medical Director**
- **IFT QI/QA**
- **TEMS training (Kautzer, Burke, Schroeder)**
- **Shift Officers IFT/Staff Update Meetings**
- **EMS Related Meetings/Training/Updates**

**Community Based Paramedic Outreach: 60 hours (2h/day average)**

This is a very important program that requires continuous training updates with the TRFD staff. This program is rapidly developing throughout the United States. State legislation has recently been passed to allow ambulance providers to bill for preventive care. There is daily communication between TRFD employees as providers of preventative medicine and other community resources. Being proactive in community outreach mitigates many unnecessary ambulance responses and decreases operating cost to the city. More importantly community paramedicine objectively improves the quality of life and decreases mortality rates of those who have health related disparities in our community. This program operates 24/7 365. It is very difficult to give an accurate number to this training. The above hours noted are very conservative.

Important to note is, the hospital equipment program at TRFD is a Community Outreach program (the time from that program is averaged in with the above number).

- **Community Outreach visits/calls/visits**
- **Collaboration with Community Partners**
- **Unnecessary 911 call mitigation**
- **Public health meetings**
- **Health Department Meeting updates**
- **Operational collaboration with various agencies**
- **Phone calls/visits to citizen's at risk**
- **Collaboration with Public Health, Hospice and other area agencies**
- **Community Education**
- **Meals on Wheels**

**May TRFD Active Shooter Training (All Shifts)**

We are  Advocate Aurora Health  
**Two Rivers School/Community Health Fair**

*TWO RIVERS HIGH SCHOOL*

*Saturday May 21st, 2022 9am - 12pm*

**FOOD  
ACTIVITIES  
&  
PRIZES**
