

**CITY OF TWO RIVERS
RESOLUTION**

**RESOLUTION DISCONTINUING FLUORIDATION OF THE MUNICIPAL WATER
SUPPLY**

WHEREAS, the City of Two Rivers operates a municipal water utility that currently provides treated water to the residents and businesses of the City; and

WHEREAS, the City Council of the City of Two Rivers thoroughly reviewed and evaluated the practice of municipal water fluoridation during official work sessions held on July 27, 2026, and August 31, 2026; and

WHEREAS, during these sessions, the City Council considered public input, relevant public health data, and the operational and financial impacts of either continuing or discontinuing the addition of fluoride to the municipal water system; and

WHEREAS, the City Council now wishes to provide definitive, formal direction to City staff and the Two Rivers Water Utility regarding the future of this practice.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Two Rivers, Wisconsin, that the Two Rivers Water Utility is hereby formally directed to *DISCONTINUE* the addition of fluoride to the municipal water supply, effective October 31, 2026.

BE IT FURTHER RESOLVED that the City Manager and appropriate City staff are directed to take all necessary operational and administrative steps to implement this directive, including providing any required statutory notices to the public and the Wisconsin Department of Natural Resources.

Adopted by the Council of the City of Two Rivers, Manitowoc County, Wisconsin this _____ day of _____, 2026.
