**Date:** January 30, 2024  
**To:** Gregory E. Buckley, City Manager  
**From:** Ben Meinnert, Chief of Police  
**Ref:** Ordinance Amendments:

Addition to Sec. 6-5-7. Restrictions of keeping dogs, cats and other animals.

The City of Two Rivers finds that wild animals are inherently dangerous and do not adjust well to captive environments. The City Community Service Officer, patrol officers, and the Inspections Dept has received increasing calls related to the possession or harboring of wild, farm, exotic, and/or dangerous animals and/or reptiles. The intent of these additions to the ordinance restrictions is to protect against health and safety risks that such animals pose and hereby prohibit possession of such animals within the City of Two Rivers.
