STAFF REPORT

AGENDA ITEM:

Consideration to approve staff to apply to the military branches to obtain a static display piece for Veteran's Park.

BACKGROUND:

There has been increasing discussion among Council, citizens, and staff regarding the potential addition of a static display of surplus military equipment at Veterans Park. Acquisition of such equipment requires submitting applications to the respective military branches, placement on waiting lists, and subsequent approval, a process that may take several months or longer.

Given these timelines, staff recommends proceeding with the application process to be placed on the appropriate waiting lists. Should a piece of equipment become available, staff will return to Council at that time for final consideration and approval prior to acceptance.
