### STAFF REPORT

**AGENDA ITEM:** Consideration to award the Shamrock Pavilion A/V System Design & Install RFP (TYR-2026-01) to S&L Integrated Systems, LLC, in an amount not to exceed \$107,125.66.

**BACKGROUND:** Shamrock Pavilion was constructed with electrical infrastructure and conduit stubs intended for a future, standalone A/V installation. The Town issued RFP TYR-2026-01 to procure a preset-based sound, lighting, and rear-projection system operable by non-technical staff and approved rental groups. Proposals were evaluated by a selection committee using the published criteria; S&L Integrated Systems received the highest overall score and is recommended for award.

**FUNDING:** Between 2023 SPLOST and Assigned Funds, there are adequate monies available for this project. The A/V system was always planned as a separate item from the pavilion construction contract.

**STAFF RECOMMENDATION:** Approve award to S&L Integrated Systems, LLC for an amount not to exceed \$107,125.66.

**ATTACHMENTS:** RFP TYR-2026-01, RFP Tabulation

**PREVIOUS DISCUSSIONS:** Council previously discussed the pavilion project as a phased effort, with A/V procurement to follow construction once the facility was in place. Electrical/conduit provisions were included during construction to facilitate this later installation.
