

## COUNCIL AGENDA ITEM COVER SHEET

**Meeting Type:** Council - Regular

**Meeting Date:** September 7, 2023

**Agenda Item Type:** New Business

**Staff Contact:** Scott Langford

---

### STAFF REPORT

#### AGENDA ITEM:

Consideration to award professional design services for the 2024 Adams Lake Dam Improvements project PW-2024-10 and the 2024 Handley Park Dam Improvements project PW-2024-12 to Schnabel Engineering.

#### BACKGROUND:

On March 21, 2024 the citizens of Fayette County voted and approved the 2024 SPLOST referendum. As part of the approved SPLOST 2024 projects, the Town is moving forward with the professional services for the 2024 Adams Lake Dam Improvements project PW-2024-10 and the 2024 Handley Park Dam Improvements project PW-2024-12. These professional services include preliminary engineering evaluation and surveying services. As part of the services, a hydrologic and hydraulic analysis will be conducted. This information will then be used to establish the scope of work required for each dam so that engineering design services can be accurately estimated and procured. The professional services are a lump sum at \$34,500 for Adams Lake Dam and \$18,000 for Handley Park Dam. Shamrock Park Dam work on another project has already accomplished some of this work; therefore, we will finish the work with that company and not as part of this contract.

#### FUNDING:

2024 SPLOST

#### STAFF RECOMMENDATION:

Staff is recommending authorizing the Mayor to execute and Award the Preliminary Engineering Services contract to Schnabel Engineering for the 2024 Adams Lake Dam Project PW-2024-10 and for the 2024 Handley Park Dam Improvement Project PW-2024-12 for a total fee of \$52,500.
