Consideration for the Atlanta Regional Commission's (ARC's) / Transportation Improvement Program (TIP) - Resolution for commitment of funding for resurfacing of Tyrone Road and Palmetto Road. Project number FA-02 2024 Local Let Resurfacing.

BACKGROUND:

As part of the State's Transportation Improvement Plan, Fayette County has invited the Town of Tyrone to participate in this grant application and project. The Town of Tyrone's sections of Palmetto Road and Tyrone Road (1.75 miles) are candidates for this project based on their GDOT classification. Fayette County has estimated the total project cost to be \$958,926.45 for our roads. This grant is a split of 80% (Federal) and 20% (local). This equates to the grant funding \$767,141.16 and the Town will pay \$191,785.29 for this work to Fayette County upon approved pay application for work completed. The Town needs to adopt a Resolution documenting the Town's political and financial support to the project.
