**Meeting Date:** 08/15/2024

**Staff Contact:** Phillip Trocquet

**Agenda Section:** New Business

---

## Staff Report:

### Item Description:

Consideration to award purchase of an HP DesignJet 3600XL Plotter and authorize the mayor to execute an associated 5-year maintenance agreement to Milner Technologies in an amount not to exceed \$18,000.

### Background/History:

The current lease on the Town's HP 3500 Plotter through Repro Products has expired. Staff has budgeted for an outright purchase of a new plotter for this fiscal year as well as a 5-year maintenance contract/warranty. Milner was the low quote for this machine which will primarily serve Community Development and Engineering functions as well as miscellaneous needs of other departments.

### Findings/Current Activity:

Staff budgeted \$25,000 in equipment for this fiscal year. This quote is approximately \$7,025 below budget.

**Is this a budgeted item? YES If so, include budget line number: Community Development Equipment**

### Actions/Options/Recommendations:

Staff recommends approval of this purchase and the associated maintenance/warranty agreement.

# HP DesignJet XL 3600 Multifunction Printer series

Experience a new standard with the most immediate and robust MFP in the market<sup>1</sup>

## Immediate results – fastest first page out<sup>1</sup>

- Don't wait in front of your printer with the fastest first page out, in just 29 seconds.<sup>1</sup>
- Free up your time with radically simple and fast batch PDF printing using HP Click software.<sup>3</sup>
- Quickly access your personal and group folders from the 15.6 inch touchscreen, so you can print and share right away.<sup>4</sup>
- Easily digitise your projects with automated scanning, user-centric quicksets, and post-editing capabilities.

## A new standard – experience extreme reliability

- Built with the most robust design for demanding environments.<sup>1</sup>
- Best fit for your office with up to 30% smaller footprint and the most quiet operation.<sup>5</sup>
- Flawless user experience thanks to automatic media loading and print stacking up to 100 pages.
- Get the lowest running costs, with mono and colour prints at the same price and using up to 10X less energy.<sup>1</sup>

## Secure – world's most secure large-format printer<sup>2</sup>

- Rely on the best network protection with features like HP Secure Boot and whitelisting.<sup>2</sup>
- Control who accesses the printer and its confidential documents with secure user authentication.
- Keep your fleet secure at any time with HP JetAdvantage Security Manager.

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: <http://www.hp.com/learn/ds>

<sup>1</sup> Based on comparable printers using LED technology and capable of printing 4-6 D/A1 pages per minute and which represent more than 70% of the share of low-volume LED printers in the US and Europe according to IDC as of November, 2018. Fastest first page out and up to 10 times less energy consumption based on internal HP testing for specific use scenarios. Operational costs based on low-volume LED technology under €17,000 in the market as of November, 2018. Operational costs consist of supplies and service costs. For testing criteria, see <http://www.hp.com/go/designjetxlclaims>.

<sup>2</sup> Requires purchase of the HP DesignJet XL 3600 Multifunction Printer series PostScript models or optional HP DesignJet PostScript/PDF Upgrade Kit.

<sup>3</sup> Advanced embedded security features are based on HP review of 2019 published embedded security features of competitive printers, as of February 2019.

<sup>4</sup> Using Lightweight Directory Access Protocol (LDAP).

<sup>5</sup> 30% smaller footprint based on comparable printers using LED technology and capable of printing 4-6 D/A1 pages per minute and which represent more than 40% of the share of low-volume LED printers in Europe according to IDC as of November, 2018. Measure done considering operational footprint (with the media drawer open). Most quiet operation based on comparable printers using LED technology and capable of printing 4-6 D/A1 pages per minute and which represent more than 70% of the share of low-volume LED printers in the US and Europe according to IDC as of November, 2018. Most quiet according to internal HP testing of operation mode and ready/sound mode sound pressure (plain paper, line drawing, normal mode) compared to published specifications of competitive printers. For testing criteria, see <http://www.hp.com/go/designjetxlclaims>.

11. The transfer of equipment covered by this agreement to a location outside normal servicing area will exclude it from the terms of agreement. The charges on equipment transferred to a different zone during the term of this agreement will be adjusted to the applicable rate for the new zone. Milner must be notified of transfers of ownership and location

5b. Average toner coverage is 6% Black and White and 20% Color. Milner reserves the right to raise the meter charges proportionately for customers who continually exceed these coverages.

12. Applicable sales, use, or property taxes shall be assessed as prescribed by law.

6. There will be no additional charge for travel expenses associated with the service performed during Milner Document Products, Inc. normal business hours, except for (1) applicable loan charges and/or (2) those instances where the equipment is not accessible by private automobile. For these exceptions, the actual travel expense and Milner Document Products, Inc. applicable hourly rates and terms then in effect shall be charged.

13. Milner Document Products, Inc. makes no warranties, expressed or implied, for merchantability, fitness for a particular purpose, performance, condition, capacity, or otherwise, except as herein expressly set out.

7. This agreement includes interim calls during normal business hours as reasonably requested, necessitated by causes other than carelessness or improper handling and use of equipment, excluding damage caused by fire, lightning, floods, riots or acts of God. All equipment parts will be replaced without charge excluding damage caused by fire, lightning, floods, riots or acts of God, except those listed in item 8.

14. Customer shall indemnify and save Milner Document Products, Inc. harmless from any and all liability, loss, damage, expense, cause of action, suits, claims for judgments arising from injury to person or property, resulting from or based on actual or alleged use, operation or transportation, of the equipment or its location or condition after it has been delivered to the customer by Milner Document Products, Inc.

8. This agreement includes Black and Color (Cyan, Magenta, and Yellow) Toner, Black and Color (Cyan, Magenta, and Yellow) Developer and Drum. **This excludes staples and paper.** Black and Color (Cyan, Magenta, and Yellow) toner will be shipped to the customer at no charge **with the exception of shipping and handling charges.** All Systems using like toner must be on an active agreement with Milner.

15. Repair of damage, replacement of parts (due to other than normal wear), or repetitive service calls caused by the use of incompatible supplies, or service by anyone not duly authorized by Milner Document Products, Inc. is excluded from coverage and will be charged at the standard rates in effect at the time of service.

Once established, this coverage shall not be changed by either party during the terms of this agreement unless agreed to in writing by both parties

16. Upon agreement of the parties, additional equipment may be added to this agreement for the remaining term of the agreement. Customer agrees to pay the pro-rated portion of the basic maintenance charge and meter charge (if applicable) that are current at the time additional equipment is added.

9. The basic maintenance charge will be invoiced in advance. Meter charges (if applicable) will be invoiced periodically in arrears. Customer also agrees to pay the meter charge listed herein for the equipment usage in any period in excess of the equipment usage included basic maintenance charge. Payment will be made within terms stated on the invoice. Customer agrees to Milner installing a meter collection utility for the purpose of collecting meters remotely.

17. This agreement excludes any network services and connectivity fees and charges after the initial installation. Network services and connectivity fees are billed at \$180.00 per hr with a 1 hr minimum. IT and network services contracts are available for an additional charge. Please contact Milner for more info.

10. The customer understands that liability with respect to any property damage or injury (including death) to persons arising out of or connected with services performed under this agreement, is limited strictly to that imposed by law and that there is no contract imposing any greater degree of liability on Milner Document Products, Inc.

18. Upon cancellation of this agreement, Milner may charge for any parts or supplies installed within the past 30 days. Customer has the option to return any unused items to avoid additional charges.
