Staff Report:

Item Description: Consideration to procure well abandonment services from Well Watchers for 969 Senoia Road in an amount not to exceed \$7,000

Background/History:

The Town has been seeking services to abandon the two wells on 969 Senoia Road.

Findings/Current Activity:

Staff received three quotes for well abandonment services, with all coming back the same price. One of the contractors was difficult to communicate with. The remaining two contractors still submitted the same price, however, Well Watchers, Inc. qualified their quote stating that one of the wells could potentially be filled for less.

Is this a budgeted item? ___Y___ If so, include budget line number: Equipment

Actions/Options/Recommendations:

Staff recommends approval to procure well abandonment services from Well Watchers Inc. in an amount not to exceed \$7,000.
