GENERAL ASSUMPTIONS

The following assumptions serve as the basis for the Service Package(s) reflected below. Any service or activity not described below is not included in the scope of services to be provided. Variations to the following may impact the Service Package's cost and/or schedule, justifying a change order.

- JustFOIA's completion of a Deliverable to Client shall constitute that JustFOIA has conducted its own review and believes it meets Client's requirements. Client shall then have the right to conduct its own review of the Deliverable as Client deems necessary. If Client, in its reasonable discretion, determines that any submitted Deliverable does not meet the agreed upon expectations, Client shall have five (5) business days after JustFOIA's submission to give written notice to JustFOIA specifying the deficiencies in reasonable detail. JustFOIA shall use reasonable efforts to promptly resolve any such deficiencies. Upon resolution of any such deficiencies, JustFOIA shall resubmit the Deliverable for review as set forth above. Notwithstanding the foregoing, if Client fails to reject any Deliverable within five (5) business days, such Deliverable shall be deemed accepted.
- If either party identifies a business issue during the project, JustFOIA and Client must jointly establish a plan to resolve the issues with potential impact analysis of timeline and budget within five (5) business days of identification. Any necessary business decision resulting from the identified business issues must be made by Client within five (5) business days from request.
- Client will maintain primary contacts and project staff for the duration of the project, as a change in staff may result in a change order for time spent by JustFOIA on retraining, reeducating, or changes in direction.
- Client will ensure that all Client's personnel who may be necessary or appropriate for the successful performance of the services will, on reasonable notice: (i) be available to assist JustFOIA personnel by answering business, technical and operational questions and providing requested documents, guidelines, and procedures in a timely manner; (ii) participate in the services as reasonably necessary for performance under this Order; and (iii) be available to assist JustFOIA with any other activities or tasks required to complete the services in accordance with this Order.
- Note that all services contracted for must be done as part of the initial implementation. For the avoidance of doubt, if there are services or portions thereof that the Client does not elect to implement as part of the initial implementation, such services are forfeited.
- All services, unless otherwise noted, will be performed remotely. No on-site training is specified.
