Re: Annual Rate Adjustment- CPI

Dear Mr. Perkins,

As you are aware, the cost of goods and services such as fuel, disposal, and Department of Transportation qualified CDL driver's wages have greatly increased this past year. Unfortunately, we must pass along these costs to the consumer in order to maintain the quality of service we deliver to our customers and our company.

Our agreement for Solid Waste Collection services allows for an annual rate adjustment. Effective 1/1/26, the rate per quarter will be increased based on the contract allowing for the CPI that is currently 6.3%. This adjustment is based on the All-Urban Consumers – U.S. City Average- Garbage and Trash Collection as described in the agreement. I have included a copy of the latest distribution from the Department of Labor, and I have provided a chart to reference for the new rates.

Thank you for the opportunity to continue our partnership with the Town of Tyrone. We value the opportunity to provide Residential Solid Waste Services to your community.

Should you have any questions or desire to discuss this further, please contact me. My information is provided below.

Sincerely,

Mandy Renova
Director of Public Sector
Amwaste of Georgia, LLC
