 - Lighting effects: **Lighting costs are \$235. This includes 2 customizable light / strobe effects.**

A sound system can include vinyl turntables, CD players, media players, microphones, amplifiers, speakers, and other audio equipment. We will provide the necessary cabling to set up the sound system.

DJBlaxx's Indoor / Outdoor Requirements for Equipment: An electrical AC source of 120 volts and 15-20 current amps must be available. If a generator is used, it needs to produce 120 volts of electrical AC power. We ask that a 60-inch (5ft) or preferably 72-inch (6ft) utility table with a fitted tablecloth is available to set up sound equipment. For outdoor large-scale productions (street party, etc.), two (2) generators must be provided.

*****Also an overhead covering (tent) is also required to help protect equipment from rain, direct sunlight, and other outdoor elements.*****

Please email Leon (DJBlaxx) at djblaxx@gmail.com all programs / itineraries, special request songs (**please only 10 to 20 song requests (not your entire iTunes, Spotify, etc. playlist)**, play radio edit / kid friendly songs, **and / or other requests**, etc.) necessary to make your event more enjoyable. Be descriptive. If you need assistance, please contact Leon (DJBlaxx) at 770.203.2677 or djblaxx@gmail.com. *****Please have all songs and any other requests submitted within 15 days of scheduled event. Request received after the 15-day cutoff will present challenges to be honored and in some cases, cannot be honored.*****
