Re: Proposal for Professional Services
Senoia Road to Spencer Lane Multi-use Path

Dear Mr. Langford:

Keck & Wood ("KW") is pleased to submit this proposal for the Professional Services (Surveying, Engineering Design, Bidding & Construction Administration) of the Senoia Road to Spencer Lane Multi-use Path project in the Town of Tyrone, Georgia ("Town").

The proposed improvements include a 12 to 14 foot cart path starting at the existing path along Senoia Road near exit ramp of SR 74 bridge then crossing Senoia Road entering the Hobgood property and following the property line to the east running north to Spencer Road. The path would then go from Spencer Road into Publix entrance. The crossing at Senoia Road shall consider the need for a rapid flashing beacon crossing.

KW intends to provide the Town with professional engineering design services for the implementation of this project. Our scope of services will include survey, engineering design, bidding assistance, and construction administration services. The following is a detailed scope of our proposed services:

A. SURVEYING - KW and/or its subconsultants will prepare a field run topographic survey of the project area (estimated to be 3.5 +/- acres in total). This survey will include all planimetric features as well as property boundaries. This scope of work does not include underground utilities. Utilities will be shown based on above ground evidence.

B. ENGINEERING DESIGN - Following are tasks associated with this phase of project development:

- Develop construction plans, including:
 - Cover Sheet
 - Index
 - Typical Section
 - Roadway Plans
 - Signing and Marking Plans
 - Cut/fill limits
 - Drainage Plans and Profiles
 - Construction Details
 - Erosion Control Plans
 - Right-of-way plans and associated legal descriptions
- Preparation of a construction cost estimate
- Preparation of a Bid Document Package, including construction plans and a bidding manual

C. BIDDING ASSISTANCE (hourly not to exceed) - Keck & Wood will perform the following requested bidding assistance services on an hourly not to exceed basis. Following are tasks associated with this phase of project development:

- Respond to questions from bidders
- Prepare addenda as needed

D. CONSTRUCTION ADMINISTRATION (hourly not to exceed) – Keck & Wood will perform the following requested construction administration services on an hourly not to exceed basis. A five (5) month construction schedule is anticipated, and is used to develop the anticipated 'not to exceed' fees. Should the schedule extend beyond five (5) months, the 'not to exceed' amount may need to be adjusted:

- Coordination of the pre-construction meeting
- Review and approve contractor's pay applications
- Respond to construction RFIs
- Site visits
- Periodically review contractor's operations and prepare any change orders as needed
- Coordinate and conduct final inspection and prepare final punch item list
- Process project close out documents

Fee Schedule

Compensation for work performed shall be billed on a **lump sum** and **hourly not to exceed** basis. Once per month during the existence of this contract, KW shall submit to the Town an invoice for payment based on the actual work performed for the Project through the invoice period. All advertising, permitting and application fees are the responsibility of the Town.

A. Surveying	\$ 8,000
B. <u>Engineering Design</u>	<u>\$ 18,000</u>
Total Lump Sum Fees	\$ 26,000
C. Bidding Assistance	\$ 2,000
D. <u>Construction Administration</u>	<u>\$ 23,000</u>
Total Hourly Not to Exceed Fees	\$ 25,000

If you have any questions or would like additional information, don't hesitate to contact me at 678-417-4023. We appreciate the opportunity to work with the Town of Tyrone on this project.

Sincerely,

KECK & WOOD, INC.
