

COUNCIL AGENDA ITEM COVER SHEET

Meeting Type: Council - Regular

Meeting Date: August 6, 2026

Agenda Item Type: New Business

Staff Contact: Phillip Trocquet, Asst. Town Mgr.

STAFF REPORT

AGENDA ITEM:

Consideration to approve a purchase of a SKYJACK SJ4726E Scissor Lift from Aerial Titans in an amount not to exceed \$20,850.

BACKGROUND:

The public works department budgeted for a Scissor lift for the FY 26-27 SPLOST budget for the purposes of better serving and maintaining town facilities in a more efficient and safe manner. Town facilities that necessitate this equipment for maintenance are: Tyrone Town Hall (Bell Tower), Handley Park PW Barn, Tyrone Library Community Room, Rodger Spencer Center, and the Shamrock Pavilion.

A variety of maintenance and seasonal work items require a scissor lift or are made considerably safer with the use of the lift and the ability to work on a platform. Staff has identified that a 24'-26' platform height scissor lift will give our crew a 32'-34' working height which will serve our purposes.

Rental of a scissor lift costs anywhere between \$1,000 - \$1,500 per rental as comparison.

FUNDING:

Yes, SPLOST Equipment Line Item (322-49-542001) - \$32,000 was budgeted.

STAFF RECOMMENDATION:

Staff Recommends approval to purchase this equipment from Aerial Titans.

ATTACHMENTS:

Bid Tabulation and scissor lift spec sheet.
