Re: ~~TOB~~ Request to Surplus A Vehicle

I am requesting that the following vehicle be designated as surplus:

- 2003 Ford Ranger
 - VIN: FTYR14V83PB14831
 - Mileage: 162,918

This vehicle has been assigned to Public Works since it was purchased new in 2003 and has become increasingly expensive to maintain. A replacement vehicle has already been approved for purchase.
