MEMORANDUM

To: Board of Town Commissioners
From: Kyle Snyder, Town Administrator & Darnell Bond, Director of Public Works
Date: Tuesday, October 4th, 2022
Re: Temporary Speed Bump Installation

Commissioners,

After resident complaints, Director Bond has been looking into installing temporary speed bumps on Town-owned School Lane and Spring Branch Drive. Most other Town roadways have permanent speed bumps already. The mobile traffic data & speed sign was removed from MD 725 once the speed cameras went live and were placed on School Lane to gather traffic data. The data collected is below.

Director Bond is coordinating with Mead & Hunt to have permeate speed bumps built into the construction & repaving plans of School Lane and Spring Branch Drive to be built during their repaving. These temporary bumps should address the residents' concerns in the meantime.
