(f) The Town may also provide by resolution or ordinance for the issuance and sale of its revenue refunding bonds for the purpose of refunding any revenue bonds issued under the provisions of this section, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such revenue bonds, and, if deemed advisable by the Town, for such additional purposes as may be provided or permitted by the authorizing resolution or ordinance for the revenue bonds being refunded. Such trust agreement may contain such other provisions as the Town may deem reasonable and proper for the security of the bondholders, including, without limitation, covenants pertaining to the issuance of additional parity revenue bonds upon conditions stated therein consistent with the requirements of this section. All expenses incurred in carrying out the provisions of any such trust agreement may be treated as a part of the cost of financing the undertaking of the Town in connection with which such revenue bonds have been issued.
