Re: Request for Proposals for Government Relations Firm (RFP # UM 2023-02)

Greenwill's proposal is built on proven government relations success in Annapolis and throughout Maryland for over twenty years. My firm is extremely knowledgeable of the legislative and procurement process in Maryland. In addition, Greenwill has established strong relationships with members of the Maryland General Assembly and key government officials in the Governor's Office, Executive Branch, and throughout the State. This vast knowledge, experience, and focus on strategic partnerships will prove to be instrumental in the successful representation of your organization's legislative priorities. As such, I am confident that Greenwill can provide effective and successful advocacy on behalf of the Town of Upper Marlboro.

Greenwill is prepared to begin services at your request. Please do not hesitate to contact me if you have any questions. I can be reached at 410-490-1309 or ilanier@greenwillgroup.com. Thank you for your time and consideration. I look forward to hearing from you soon.

President and CEO

Section 1: Understanding of the Request and Proposed Strategies

Greenwill understands that the Town of Upper Marlboro seeks a government relations firm to represent the Town's legislative policy interests with the Maryland General Assembly and individual State officials during the 2024 and 2025 Legislative Sessions. We understand that the Town would like to primarily focus on those legislative priorities approved by the Mayor and Town Council. Such priorities will likely focus on the following areas:

- Capital & Operating Budget decisions
- State Grant Programs
- State Bond Bills
- Local Delegation Bills
- Economic Development
- Revenue Generation

We recognize that Greenwill would provide services including scheduled, extended, or special legislative sessions and meetings, committee hearings, or rule-making proceedings. As illustrated below, Greenwill has a history of experience with these priorities.

Capital Budget & State Bond Bills

The Greenwill Team has been successful in garnering State capital funding for large capital projects and Bond Bills for many clients over the years. Our professionals are well-versed in the General Assembly's processes. Greenwill would work closely with the Town to identify key projects that require funding. We would then use our knowledge of the budget and our relationships on the relevant subcommittees to determine the best route to success. This could involve direct legislation, a Capital Budget line item such as a miscellaneous grant, or a Bond Bill. Some examples of Capital Budget & Bond Bill awards Greenwill has recently secured include:

- Charles County Multicultural Recreation and Amphitheatre Facilities - \$1,250,000
- Charles County Boys and Girls Club - \$500,000
- Allegany County River Park Project - \$1,500,000
- Allegany County Economic Development Department - \$750,000
- Town of Upper Marlboro Community Playground - \$392,424
- Town of Upper Marlboro Parking Project - \$150,000
- Southern Maryland Blue Crabs Stadium - \$1,500,000
- City of Mount Rainier Municipal Center - \$750,000
- Landover Housing Coalition - \$700,000
- Baltimore County Turner Station Community Center - \$300,000
- City of Frederick Downtown Hotel and Conference Center Study - \$250,000
- City of Frederick Downtown Hotel and Conference Center - \$16,000,000
- Hancock Downtown Beautification – **FY21** \$1,000,000 **FY23** \$100,000
- Hancock Boys and Girls Club - \$300,000
- Forest Heights Public Safety and Community Center - \$200,000
- Enterprise Community Development, Inc. Housing Project - \$500,000

Additionally, as a team, we have a wealth of experience and expertise in the Federal Budgeting and Appropriations process. Our collective efforts have enabled us to successfully secure funding for various projects located at Fort Dietrich in Frederick, throughout Allegany County and recently assisting the Charles County Local Delegation with Southern Maryland Rapid Transit funding. Through collaborative teamwork, we have developed a comprehensive understanding of the appropriations landscape, allowing us to effectively navigate the complexities of the process and achieve favorable outcomes for our clients.

Local Delegation Bills

Greenwill has a strong knowledge of the legislative process at the State and County level. We have worked with local Delegations all over Maryland. During the 2021 legislative Session, our team successfully drafted and lobbied for a Prince George's County Delegation bill that would allow speed monitoring systems to address citizen concerns of child safety on residential roads in the County. We also worked with several Prince George's County Delegation members crafting unique legislative budget language to ensure that underserved communities near major sport venues are receiving yearly funding for economic and community development projects. Greenwill also has close relationships with the Prince George's, Southern Maryland, and Baltimore City and County Delegations among others. We also believe it is critical to maintain close ties with the local county boards and city/town councils in these regions of the state. Often, changes to school board or youth policy need to be enacted at the delegation level. Where these changes may be beneficial to the Town, Greenwill would draft legislation and lobby for its passage in the General Assembly.

Our team is proud to highlight our successful lobbying efforts during this legislative session for the passage of the Prince George's Gateway Development Authority. This bill holds immense potential to drive revitalization and economic development for the six municipalities along the route one corridor. Through close collaboration with mayors and the economic development department, we drafted legislation that focuses on projects aimed at benefiting residents, housing, neighborhoods, economic development, and transportation. Additionally, we worked diligently with key members and legislators to ensure the passage of the bill and garner support from other members. Our team's dedication and strategic efforts have resulted in a significant milestone towards promoting growth and progress in the region.

State Grant Programs

With an in depth understanding of the capital and operational budgets comes the knowledge of the different grant programs that are available to organizations in Maryland. We stay up to date on programs funded through the Department of Housing and Community Development, Department of Commerce, Department of Environment, and others. Therefore, we believe it is critical to take a bipartisan approach to lobbying to maintain close ties with Executive Branch members who play key roles in overseeing these projects. We would help the Town navigate these grant programs, and we will also think outside the box. For example, our firm was involved in the Covid-19 response from the beginning of the pandemic. We intimately assisted our clients through the State's grant system in the summer of 2020 to secure relief for local businesses. Greenwill became remarkably familiar with the Federal CARES Act. With a focus on increasing government services

during pandemic and promoting community development, Greenwill drafted innovative stimulus spending and reporting plans for the Town of Forest Heights, Town of Hancock and Allegany County. Our team is also up to date on the American Rescue Plan Act (ARPA). We know the grant application process and new spending requirements. Counties and municipalities around the state are still authorizing the second round of ARPA funds throughout 2024. Greenwill maintains active partnerships with many of these localities in drafting plans that fund and benefit community-based projects. Greenwill would discuss potential programs that would benefit the Town, including expansion of services and capital projects. We would then put together a proposal that follows ARPA's requirements and present it to our connections in local government.

Recently, Greenwill was successful in assisting a town with the acquisition of a \$500,000 grant through the Department of Housing and Community Development. This grant has enabled the town to address critical issues with their roads and sidewalks resulting from stormwater, and support Streetscape and engineering improvements to tackle dilapidated streetways and reduce flooding, which has led to damaged roads, sidewalks, and property. We were actively involved in facilitating meetings with elected officials from the district and the department, showcasing our commitment to making a tangible impact on communities by securing essential resources for much-needed infrastructure improvements.

Legislative Outreach

Greenwill maintains a regular presence both in Annapolis and at meetings and conferences around the state. We believe that a constant presence is critical to increase the visibility of our clients and to get a pulse on Maryland policy. Greenwill is proud to have consultants based in all corners of Maryland. During Session, we attend subcommittee and committee hearings in the House and Senate. We also regularly attend county board and local council meetings. Additionally, Greenwill President and CEO, Ivan V. Lanier, is a retired police sergeant with professional relationships in the law enforcement community, Prince George's County States Attorney Office, and throughout the State of Maryland, having served with the Prince George's County Police Department for twenty years. We believe in a fully integrated approach to outreach, touching all parts of government from the local level to the General Assembly. As such, Greenwill would propose introducing the Town to not only prominent voices in the General Assembly, but local players who play key roles in community building.

Methodology

Greenwill's approach is to fully understand our clients' goals, priorities, needs, organizational structures and commitments. By taking the time and energy to fully understand our clients, we are able to craft an effective legislative and government relations strategy that will result in a successful execution of that plan. The development of this strategy and its execution is accomplished with the approval and involvement of the client. As such, Greenwill staff will review the legislative agendas and priorities of legislative leadership to ensure the best strategy to successfully advance your legislative priorities. Greenwill staff utilizes knowledge, experience, and a coalition of bipartisan relationships to promote our clients' priorities which is essential to a successful campaign.

Organizational Overview & Philosophy

The following is a strategy outline for legislative services for the Town of Upper Marlboro (Town) with the specific goals of advocating for funding for the Town, including protecting and growing funds for community development activities, and active monitoring and communication of the legislative and political landscape. The Request for Proposals (RFP) was skillfully prepared and provided the information required for partners to appropriately respond.

This outline is respectfully submitted by Darrell Carrington of Carrington & Associates, LLC (Carrington), a registered lobbyist and professional advocate in the State of Maryland, for the purpose of offering consulting services. This document is a proposal for possible work tasks with strategies - all that follows is subject to discussion and edit. The outline that follows is the intellectual property of the proposal team shared with the Town (to include staff and volunteers associated with this effort) for business purposes. This outline should be considered an internal document until all relevant parties have agreed upon appropriate release of information.

Our firm has experience working with every level of government - Federal, State, County and Municipal. Our experience in government relations, public affairs, campaign and issue development and management spans more than 30 years. To best serve the interests of the residents of the Town and extend the advocacy reach, Carrington, on occasion will partner with other firms for special projects as needed. Additionally, Carrington, while serving as the contract and project lead, will direct work tasks for completion. This strategic approach has been designed to maximize the level of customer service for the Town - to place additional advocates in Annapolis and beyond for the Town. A summary of our capabilities follows in Table 1.

Capability	Carrington & Associates
Bill Tracking	Yes
Successful Grant Writing	Yes
Past Performance Serving Prince George's County Municipalities	Yes
Minority and/or Woman-Owned	Yes
Prince George's County Residency	Yes

Table 1: Capabilities

We have a constant goal of service within the communities we serve. As a snapshot of this service, Mr. Carrington currently serves or has served, on a wide range of professional, educational, philanthropic and policy development boards and councils including: the National Association of Blacks in Criminal Justice, American Correctional Association, University Continuing Professional Association, the New Jersey Nutrition Council, New Jersey Juvenile Intensive Supervision Program, the Maryland Emergency Food Assistance Program, Maryland Statewide Nutrition Assistance Program as well as board memberships for the Mission of Love, Community Support Systems, Inc and the Take Charge Juvenile Diversion Program where Mr. Carrington, currently serves as Board Chair since 2007.

Politics is an integral element of any legislative equation. Success in Annapolis takes a shrewd understanding of both the processes and politics of legislative action. It is not enough to have a working understanding of how legislative procedures operate but advocates also need a deep appreciation for the political and public policy tenets surrounding an issue. These tools coupled with instant access to the key decision makers are the recipe for a successful and sustainable legislative program.

Carrington has an excellent track record of identifying and helping to pursue opportunities for collaboration with community groups, hospitals, economic development corporations, state and local governments, and other entities in the successful pursuit of issue advocacy. In our initial and ongoing assessment of the Town's needs and assets, we will help identify and pursue partnership opportunities of this nature.

Carrington will submit status reports to keep the Town officials apprised of developments with the General Assembly and other entities as directed. These reports may take the form of conference calls, written memoranda, emails, or other media, depending on your preference and our mutually agreed-upon framework. Again, our close ties to Members and Staff in Annapolis will allow the best intelligence and reporting to the Town.

The Town will need access at the Federal, State and County levels. Carrington has these relationships within Maryland's geographically-diverse regions: Prince George's, Montgomery, Charles, Baltimore, Frederick, Howard and Anne Arundel Counties as well as Baltimore Town. Carrington is a well-known sponsor of both the Maryland Municipal League (MML) and Maryland Association of Counties (MACo) Annual Conferences and will continue to attend at no additional cost to the Town. These relationships will assist the Town with the multitude of issues that will need to be addressed during the legislative session, such as the fiscal impacts of our recovery from the COVID-19 Pandemic and the implementation of the Blueprint.

It is important to note the rapid changes that have occurred in the General Assembly over the past 3 years and the turnover we will see with the election in November. Beginning in the 2023 Session, it was the first time in more than 30 years that Maryland had new Presiding Officers. All Senate Committee Chairs have been appointed to their positions within the last few years as is the case in the House of Delegates. The new Chair for Health and Government Operations (HGO), Delegate Joseline Peña-Melnyk, was appointed to her position on Sine Die 2022. This radical level of change is a very significant development. As changes to committee assignments and other leadership posts are announced, the Town will benefit from a team that can leverage decades of relationships to ensure your priorities are addressed and you have access to the decision-makers.

It is worth noting that the General Assembly has evolved to a younger and more progressive body. This trend will continue and advocates will need to evolve accordingly. Carrington has demonstrated its ability to work within the progressive wings of the Senate and House - we have knocked on doors together, participated in conferences and symposiums and strategized for the work still left to do. These relationships will prove invaluable as we address issues of interests to the Town - the Town will require a team that can not only work with the 2024 legislature but who looks forward to change as an opportunity.

Carrington has a proud tradition of representing our clients and take great lengths to avoid conflicts of interests. The lead for this proposal, Darrell Carrington, is a Maryland-registered state lobbyist current in his ethics training. Clients of Carrington are listed on the State Ethics Commission's website and are as follows:

- Attar Enterprises – Developers
- Brian Bickerton – Hemp Extraction Company
- CareGo, Inc – Medical Services Group
- B&B Partnership Initiative – Underground Wiring and Engineering Firm
- DMV Enterprises – Multi-state Cannabis Dispensary Company
- Baltimore County Chamber of Commerce – Professional Trade Group

- Maryland Veterans Chamber of Commerce – Professional Trade Group
- Residential Title and Escrow Company – Title Insurance Company
- XTT Life™ - Green Solutions Company
- Sensys Gatso USA – Traffic enforcement solutions company

Carrington's representation of these clients should not present any conflicts of interests for the Town and hopefully, will serve to be mutually beneficial relationships.

Lastly, and perhaps as importantly as all other items, there is no substitute for perseverance. The Carrington Team is often the first to walk the halls of the House and Senate each and every morning as well as the last ones to leave Annapolis in the evening. Our team takes great pride in our individual and collective stellar reputations, integrity, and decades of achievement for its clients. References are listed to support this claim.

Scope of Services

Monitoring and Bill Tracking

Carrington maintains a daily presence in Annapolis during the Legislative Session. Carrington will monitor every piece of legislation introduced in the 2024 - 2025 legislative sessions and appropriately track each relevant bill throughout the process. This is a skill that is improved by time spent working within the Maryland General Assembly - including the ability to know how to get questions asked by bill drafters and determine unintended consequences early so amendments can be drafted or the sponsor can be encouraged to rethink his/her legislation. Monitoring legislation is more than simply knowing the bills that are introduced - we know the "why" and we know how to find the answers when questions arise.

We will utilize appropriate electronic tools to provide easily understood distributable reports for the Town stakeholders. As such, we are able to provide reliable and consistent information in real time to the President, Council, Town Administrator and Staff from the state legislature and agencies.

Carrington will provide weekly reports to the Town, both orally and in writing, that track the budget process and all bills deemed legislative priorities or needs of the Town. We will provide the President, Council, Town Administrator and Staff with weekly bill tracking reports. Please see Attachment #2 for a sample report. The weekly bill tracking report will contain the bill number, bill title, sponsor, hearing dates, committees of jurisdiction and opposite Chamber hearing dates as applicable. Additionally, Carrington will provide copies of all bills and amendments that are deemed to have an impact on the Town. We review every bill that is introduced in Annapolis for its impacts and/or opportunities for our clients. Any additional information can be added in our reporting.

We will also immediately schedule meetings with the Town's elected officials and Department Heads. As a way to improve communication, this will facilitate having decision-makers fully briefed on the Town's priorities and the impacts future legislation and regulations will have on the Town. Carrington will facilitate meetings and communication with the various delegations as needed and requested. Carrington has a long history of working closely with our clients and their designees to achieve successful outcomes.

Anticipated Deliverables: Meetings arranged and executed for the President, Council, Town Administrator and Staff. Weekly reports, including bill tracking, submitted to the Town in a format of the Town's choosing.

Legislative Advocacy

Years of success and a reputation as authentic relationship builders makes our team the strongest choice to serve the Town of Upper Marlboro. Our collective network will be immediately utilized to schedule strategic meetings to prepare for the legislative session. Connecting staff and legislators to the Town will continue to be a valuable and necessary step in the ongoing advocacy work for the Town.

Meeting protocols will be followed, despite the fact that "meetings" in Annapolis can be, at times, five-minute check-in's while walking with a legislator to her/his destination. We believe that meetings should be purpose-driven and that the attendees should have a clear goal identified, next steps outlined, and notes provided to meeting attendees with any follow-up items included. Carrington, in ongoing consultation with the President, Council and Town Administrator and Staff, will transmit the Town's position on key legislative and/or state agency actions. Carrington will arrange meetings with the appropriate officials and staff as directed as well as providing the Town with position statements and draft correspondence as directed.

Anticipated Deliverables: Meeting notes with follow-up action designated.

Coordination of Legislative/Regulatory Efforts

Carrington will work closely with the Town to design, develop and implement a coordinated and comprehensive legislative and regulatory program. In our initial and ongoing assessment of the Town's needs and assets, we will help identify and pursue partnership opportunities. Carrington has a long-track record of working cooperatively with the Town's State Delegation and Members of the General Assembly in general, in drafting successful legislation. A recent example is [HB0619/CH0447 - Prince George's County - Speed Monitoring Systems - Residential Districts PG 302-21](#) from the 2021 Session. The bill was in response to the preventable death of 14-year-old Kamal Nashid who was

killed crossing Church Road. Working with the Prince George's County House Delegation and County Council, we were able to successfully navigate the bill through the General Assembly during the COVID-19 Pandemic.

While one cannot guarantee success on legislative action, Carrington's impressive track record of assisting in passing some of the highest profile legislation demonstrates our detailed knowledge of the legislative process and how to "work" a bill through Annapolis. "They" say that there are two things you never want to see people make: laws and sausages! Fortunately, we have a strong constitution and will be able to stomach all that the legislature dishes out.

Carrington has over 17 years of experience in delivering testimony and coordinating witnesses for legislation on behalf of our clients in Maryland. We regularly testify on their behalf as requested. Typically, we prefer to have our clients testify, so the legislature can put a local face with the issue at hand. However, we recognize that it is not always possible nor practical for a client to testify in person in Annapolis, so we are able to stand in for the Town.

Anticipated Deliverables: A 2024 legislative and regulatory program for the Town, collateral to communicate this program to external stakeholders, ongoing communications, and strategies to achieve results for the Town's goals.

Enhance Intergovernmental Relationships

Carrington, in coordination with the President, Council, Town Administrator and Staff, will design and implement a strategy to raise the already impressive profile of the Town. Carrington will identify opportunities for the Town to attend events and meetings that will increase knowledge of new opportunities, initiatives and programs that may be beneficial to the Town and fit into our comprehensive legislative strategy. Using Carrington's long-standing relationships with the key lawmakers, agency directors and staff, we can increase the Town's profile and access to those in the best position to assist the Town with its goals and objectives. Carrington works closely with leadership on both sides of the "aisle" and that has proven to be an effective recipe for success in Maryland.

Anticipated Deliverables: Reports the President, Council, Town Administrator and Staff detailing events and meetings attended.

Establish an Active Presence

Carrington's Managing Director is one of the most visible and well-known lobbyists in the Maryland Statehouse Office Complex. Darrell has worked on a wide range of issues - including his work on legislation achieving Marriage Equality to and reforming Maryland's Medical Cannabis program. Carrington has worked with every Committee in both the House and Senate as well as engaged the current Administration's legislative team and agencies. These relationships have been forged over work on a variety of bills and initiatives that have gone from conception into law. In one case, Marriage Equality, the United States Supreme Court made our work the law of the Land. Carrington maintains a daily presence in Annapolis during the Legislative Session and regularly attends Board and Commission meetings that affect our clients throughout the year.

Carrington believes that communication is part of the foundation for success. As such, Carrington will be available to meet on-site with the President, Council, Town Administrator and Staff on matters of importance to the Town and make presentations on key issues.

Carrington works closely with both the Greater the Town, Prince George's, Latino and Minority Chambers of Commerce. This gives Carrington a statewide perspective and network. Coupled with our ongoing efforts to partner with firms of similar character, Carrington continues to grow and acquire talent that will augment the Managing Director's efforts. This will afford the Town a team of diverse consultants, that are present, work at every level of government and knowledgeable of the legislative process from introduction through passage. Carrington takes great pride in being a small, boutique firm that focuses on our clients' individual needs.

***Anticipated Deliverables:** Reports to the President, Council, Town Administrator and Staff detailing events and meetings attended.*

State Budget Issues

Carrington has a long-established track record of performance in this particular area that will benefit the Town greatly. Carrington has worked closely with the current Speaker of the House, the first African-American Women elected to the position, the Honorable Delegate Adrienne Jones, on budget matters across the full spectrum of issues before the General Assembly for more than 12 years in her role as Chair of the House Appropriations Capital Budget Sub-Committee. Additionally, Carrington has worked closely with the former Senate Capital Budget Sub-Committee Chairman, the Honorable Douglas "J.J." Peters, the former Senator for District 23. Carrington is quite fortunate to have an even longer relationship with the new Chair for the Capital Budget, Senator Craig Zucker. Senator Zucker and our Managing Director have known each other professionally since 2006.

Additionally, Carrington also worked very closely with then-Senator Peters securing \$225,000 for the Town of Upper Marlboro's Welcome Center. This was the first time, in the more 300-year history of the Town of Upper Marlboro, that they received a bond initiative from the State of Maryland. Carrington also represented a client working with the Town of Forest Heights to permanently appropriate \$120,000 each year from the Video Lottery Terminal casino fund for their public safety and police force. Carrington also worked closely with the Western Maryland Delegation to secure an additional \$1,000,000 in bond initiatives for the region.

On Sine Die, 2019, Carrington was called in on that final, chaotic, somber day to walk budget priorities for education, public safety, and healthcare through both chambers. Our hearts were collectively heavy with the loss of our "Coach," the Honorable Michael Busch, former Speaker of the House. Carrington's Managing Director was featured in interviews discussing the impact the Speaker had on the State of Maryland when he "Laid in State."

Carrington's close relationships with House Economic Matters, Ways & Means and Appropriations Committees, combined with those on the Senate Budget & Taxation and the Finance Committee affords the Town of the Town, the Town Administrator, Town Council and Staff access to the decision makers as they make their decisions. This is a key element of having Carrington on the ground daily in Annapolis. Our Managing Director is one of the very few Principals in Annapolis that takes an active role in representing the firm's clients. Nothing can substitute for a personal touch.

Anticipated Deliverables: Reports to the President, Council, Town Administrator and Staff detailing events, meetings and hearings attended.

Proposed Timeline (please note that the proposed timeline can be adjusted to reflect when the Town wishes to begin the contract for services)

June 2023 – August 2023 (please note that this timeline will repeat for 2024-2025)

Carrington will be available to meet with the President, Council, Town Administrator and Staff as needed and directed. The legislative calendar slows down during the summer months; however, this affords the Town an opportunity to have substantive discussions with Elected Officials, Agency Directors, and key Staff as we draft our legislative priorities for 2024.

The summer has several conferences of note including, but not limited to: MML, National Democratic Convention (DNC), National Conference of State Legislators (NCSL), Maryland Association of Counties (MACo) and the Republican National Convention (RNC). Carrington will keep the Town informed of national trends and opportunities for partnerships that may arise. The Maryland Municipal League (MML) Annual Summer Conference is June 25-28, 2023. Carrington advises that we discuss the presence the Town envisions for that week.

Carrington will discuss with the Town which Members of the General Assembly that should be approached to champion the legislative priorities for the 2024 Legislative Session. Lawmakers and their Staff are able to better focus on the nuances of policy during this time period. Additionally, it moves the Town's priority to the top of their lists as they decide which bills to sponsor for 2024. The statutory deadline for Members to request drafting a pre-filed bill is in November. Drafted bills not pre-filed are prepared for Members to introduce on the first day of the Legislative Session. Departmental and County Senate bills introduced after the pre-file deadline are referred to Senate Rules.

Carrington maintains strong working relationships with Senator Watson and his team for many years.
