Re: Bluestem Section 5 – Substantial Completion/One-Year Warranty Period

Mr. Le,

This formal notice is per your request to inspect the above referenced project in order to begin the one (1) year maintenance period.

On March 3, 2026, Mr. Vincent Hensen from the Waller County Engineering Department concluded that all punch list items are completed.

The County will consider the maintenance period to start on 03/3/2026. The road will be reviewed again in one (1) year to determine if any additional work is required before a motion for final acceptance of the road is submitted to the Waller County Commissioners' Court.

Please contact us on or after the anniversary date of 03/3/2027 to schedule the Final Inspection.

If you have questions or require further information, please feel free to contact me at (979) 826-7670.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Ross McCall", is written over a faint, larger version of the same signature.
