County Judge Carbett "Trey" J. Duhon, III
836 Austin St. Suite 203
Hempstead, TX 77445

Dear Judge Duhon and Commissioners,

Please accept this letter as a request for the \$15,000 that was approved in the 2026 Waller County budget for CASA for Kids of South Central Texas.

This funding helps cover the cost of recruiting, training, and supporting Court Appointed Special Advocate (CASA) volunteers, who ensure every child's voice is heard in court, at school and in our community.

Your continued support is greatly appreciated. Our goal remains 100% advocacy, for every child that is removed from their home and placed in CPS custody to have their very own CASA. These funds will allow us to continue our mission of breaking the cycle of abuse, thereby strengthening our community.

Please do not hesitate to contact me should you have any questions.

In the Best Interests of the Children,

Mandy Wright
Executive Director
