Re: Sunterra Lakes North Section 6 – Substantial Completion /One-Year Warranty Period

Mr. Walker,

This formal notice is per your request to inspect the above-referenced project in order to begin the one (1) year maintenance period.

Inspectors from the Waller County Engineering Department concluded that all punch list items are completed.

The County will consider the maintenance period to start on the date of acceptance by the Waller County Commissioners Court of August 19, 2026. The road will be reviewed again in one (1) year to determine if any additional work is required before a motion for final acceptance of the road is submitted to the Waller County Commissioners' Court.

Please contact our office at engineeringinspection@wallercounty.us if maintenance of any road surface in this section is required during this warranty time period.

Contact us on or after the anniversary date of August 19, 2027, to schedule the Final Inspection.

If you have questions or require further information, please feel free to contact me at (979) 826-7670.
