If either OWNER fails to enter into such agreement with the City of Brookshire, Texas, this Agreement will immediately be deemed null and void.
2. The properties that are the subject of this Agreement shall be referred to as the “Building” and the “Premises”, as applicable, and the Building and the Premises are described in Exhibit “A” and Exhibit “B,” which is attached hereto and incorporated herein.
3. EMPIRE WEST and TESLA shall make or cause to be made real property improvements (the “Real Property Improvements”) at 103 Empire Blvd., Brookshire, TX 77423, and commonly known as “Building 10,” and 111 Empire Blvd., Brookshire, TX 77423, commonly known as “Building 9,” and shall be of the kind, number, and location

specifically described in Exhibit “B,” which is attached hereto and incorporated herein. In addition, TESLA shall install personal property and equipment at the locations as shown in Exhibit “B” (the “Personal Property Improvements” and, together with the Real Property Improvements, the “Improvements”). Exhibit “B” also describes Personal Property Improvements that TESLA will install or maintain at the Premises with a taxable value, as determined in the first year of service, as described on Exhibit “B” attached hereto for purposes of allowing TESLA to operate the Premises as required in Section 3.

- a. OWNERS shall ensure the that the Real Property Improvements and TESLA will ensure the Personal Property Improvements are diligently and faithfully undertaken and completed in a good and workmanlike manner, in compliance with all applicable federal, state, and local laws and regulations.
 - b. 4. TESLA shall, by the end of YEAR 1 of the Abatement Period referenced in Section 9, commence and complete construction and installation of the Real and Personal Property Improvements on the Premises. EMPIRE WEST shall, by the end of YEAR 1 of the Abatement Period referenced in Section 9, commence and complete construction of the Real Property Improvements on the Premises. Following completion of the Improvements and until the expiration of the Abatement Period, TESLA shall operate and maintain the

Premises for warehousing, distribution and storage of automobile related items, the research and development, manufacture, service, warehousing, storage, and distribution of utility-scale battery energy storage systems and other energy products and related parts and accessories, along with general office purposes, and for any other lawful purpose provided that the Premises must at all times during the Abatement Period be used for the general purpose of encouraging development and redevelopment of the Reinvestment Zone. TESLA shall not use the Building or Premises in a manner inconsistent with this Agreement during the term of the Abatement Period. If TESLA's operations at the Premises are prevented due to force majeure, such interruption of operations shall not constitute a default hereunder.

5. TESLA acknowledges that it is their responsibility to file the Forms 50-116, 50-142, and/or any other reasonably required documentation, as applicable, to verify personal property values and continued compliance for the abatement granted, to the Waller County Appraisal District annually during the Abatement Period for so long as the law requires annual application. The forms and documentation shall be timely filed in accordance with applicable law, and in no event filed later than the final extension allowed by law. Failure to do so and cure such default within sixty (60) days after receipt of notice of the same will result in the termination of this Agreement. EMPIRE WEST shall reasonably cooperate with TESLA in connection with such documentation and reports. EMPIRE WEST acknowledges that it is their responsibility to file the Form 50-141, and/or any other reasonably required documentation, as applicable, to verify real property values and continued compliance for the abatement granted, to the Waller County Appraisal District annually during the Abatement Period for so long as the law requires annual application.

The forms and documentation shall be timely filed in accordance with applicable law, and in no event filed later than the final extension allowed by law. TESLA shall reasonably cooperate with EMPIRE WEST in connection with such documentation and reports.

6. OWNERS shall, in writing in a form reasonably acceptable to the County and, until the expiration or termination of this Agreement, annually certify compliance with their respective portions of this Agreement, including TESLA certifying to the satisfaction of the Employment requirements set forth in Section 7. EMPIRE WEST shall reasonably cooperate with TESLA in connection with such annual certification.
7. EMPLOYEES: For the duration of this Agreement, TESLA shall employ an agreed number of Employees (as defined herein). By the end of YEAR 1 of the Abatement Period, TESLA must employ at least 375 Employees. By the end of YEAR 2 of the Abatement Period, TESLA must employ at least 750 people. By the end of YEAR 3, and continuing through the Abatement Period, TESLA must employ 1,500 Employees.
 - a. The agreed number of Employees must be employed at or based from the Premises.
 - b. If TESLA fails to employ the specified number of Employees for any consecutive 90-day period in any given year during the Abatement Period, the percentage of the tax abatement will be reduced in accordance with Section 13 for the year in which TESLA did not meet the requirement.
 - c. An Employee is a person who (i) is an employee or contract employee of TESLA and paid directly, or in the case of a contract employee, paid directly or indirectly, by TESLA, and (ii) is full-time and regularly works at least 35 hours a week at or based from the Premises, excluding time taken for holidays, vacations, sick leave, or other regular leave.

- d. Where there are qualified applicants living in Waller County, TESLA shall make a good faith effort to employ such persons living in Waller County, Texas for its new employees. TESLA may contact the County to assist in obtaining applicable training grants, if available, to ensure that citizens of Waller County are given every opportunity for employment.
- e. TESLA, upon a 10 business day prior request by the County, shall validate compliance with the terms of this Section 7 by providing to the County documentation related to employees, as defined below, that is directly related to TESLA'S obligations with regards to the Employees, and includes the Employee's ID number, employment start date, and, where applicable, employment termination date, and that is acceptable to the County, for the sole purpose of verification of the information contained in the compliance certifications due pursuant to Section 7; provided, however, such review must be done during normal business hours. TESLA shall also provide a written certification that TESLA is in compliance with the Employment terms of the Agreement. The review will be limited to once per calendar year, unless TESLA is found during the County's review to be out of compliance with the terms of this Agreement; if TESLA is not in compliance with the terms of this Agreement, County may provide TESLA an opportunity to come into compliance. TESLA shall provide documentation to the County until compliance is established. The County shall not be permitted to photocopy any documentation. TESLA may withhold any information it reasonably deems to be sensitive (subject to the requirements of any applicable statute). In the event that the County is unable to determine compliance because access to information is

denied, or information is withheld hereunder, then County may terminate this Agreement upon written notice to OWNERS, provided that OWNERS shall be given written notice of the termination, and the opportunity to cure within sixty (60) days after deemed receipt of the written termination notice. The County agrees it will make best efforts not to interrupt TESLA'S business with such reviews, and TESLA shall not be required to disclose the names or other sensitive personally identifiable information (such as social security numbers, home addresses or telephone numbers) of specific Employees or its third-party contractors.

- i. Documentation related to employees shall be limited to a de-identified list of employees, as defined under section 7c, employed at or based from the Premises, and establish that TESLA has not failed for any consecutive 90-day period to employ the required number of employees. Documentation shall not include details beyond the number of employees that meet the requirements under Section 7.

8. It is understood, and agreed among the parties, that beginning YEAR 1 of the Abatement Period and continuing each year thereafter, as provided in law, the Building and any and all Improvements shall be appraised at market value effective January 1 of each tax year, including the value of any partially completed Improvements.
9. INVENTORY: Beginning with YEAR 1 of the Abatement Period, TESLA shall maintain a minimum \$75,000,000 rendered taxable inventory value at the Premises; by end of YEAR 2 of the Abatement Period shall maintain a minimum \$220,000,000 rendered taxable inventory value at the Premises, and; by end of YEAR 3, and continuing for each remaining year of the Abatement Period shall maintain a minimum of \$300,000,000 rendered taxable

inventory value at the Premises. TESLA agrees to render its personal property at the Premises for tax valuation purposes with the Chief Appraiser for the Waller County Appraisal District annually and within the deadline for filing renditions. TESLA shall give the Waller County Appraisal District necessary permission required for the Waller County Appraisal District to provide copies of TESLA'S tax documents to the County for the purpose of verifying rendered inventory values.

10. Subject to the terms and conditions of this Agreement, and subject to the rights of the holders of any outstanding bonds of the County, a portion of the ad valorem property taxes only for the Improvements and the Building, which would otherwise be owed to the County, shall be abated for a period of years, commencing January 1, 2026 and terminating December 31, 2035 ("Abatement Period").

- a. Said Abatement Period shall be extended to OWNERS only for the Improvements and the Building, in an amount equal to the percentages listed below:

YEAR 1 (2026) – 60%
YEAR 2 (2027) – 60%
YEAR 3 (2028) – 60%
YEAR 4 (2029) – 60%
YEAR 5 (2030) – 60%
YEAR 6 (2031) – 60%
YEAR 7 (2032) – 60%
YEAR 8 (2033) – 60%
YEAR 9 (2034) – 60%
YEAR 10 (2035) – 60%

- b. The abatement percentages in Section 9(a) shall be applied only to the taxes assessed for each year during the Abatement Period on the value of the Improvements and the Building.
- c. OWNERS shall have the right, jointly or severally, to protest any appraisals of the Building, Premises, Improvements, or any portion thereof, during the term of this

Agreement. Nothing in this Agreement shall affect OWNERS' right to protest and/or contest any taxes assessed on the Building, Premises, Personal Property Improvements, and any and all Improvements, and the abatement percentages shall be applied to the amount of taxes finally determined to be due as a result of any such protest and/or contest.

- d. If the certified appraised value of the real property Improvements is reduced, regardless of the initial appraised value, as the result of OWNERS' protest, the percentage of abatement granted herein will be adjusted downward by the same percentage, then rounded to the nearest whole number. For example, if the protest of the certified appraised value is reduced by 6.6% then the percentage of the tax abatement granted in any given year under this Agreement on the Improvements would be decreased by the same percentage, rounded to the nearest whole number, thereby reducing the abatement by 7%.

DEFAULT:

- 11. OWNERS shall be in default if any of the following occurs:
 - a. The Real Property Improvements, and Personal Property Improvements, are not completed or installed in accordance with Exhibit "B", except where force majeure is provided under Section 2(b);
 - b. TESLA fails to employ the number of Employees in accordance with (and during the period set forth in) Section 7 of this Agreement for any consecutive 90-day period, which would reduce the abatement by the same percentage as noted in Section 12;

- c. With respect to the Abatement Period, TESLA fails to timely file annual renditions for the Personal Property Improvements and any and all Improvements or OWNERS fail to file the applicable forms specified in Section 5 annually with the Waller County Appraisal District for so long as the law requires such filing;
 - d. With respect to the Abatement Period, OWNERS allow their ad valorem taxes owed to the County, or any other taxes owed to any other taxing entity located in whole or in part in the County, to become delinquent without timely and properly following the legal procedures for protest and/or contest of any such taxes;
 - e. During the Abatement Period, OWNERS operate the Premises or Building in violation of public health and safety laws, or allows the Premises or any part thereof to become a public nuisance, as provided under the appropriate ordinances of Waller County, or the State of Texas;
 - f. For duration of the Abatement Period TESLA fails to maintain a minimum rendered taxable value of inventory at the Premises as noted in Section 9, then TESLA shall not be entitled to the abatement of property taxes for the year in which the default occurs.
12. In the event OWNERS default as described in Section 11, the County shall give OWNERS written notice of such default. If OWNER(S) have not cured such default under Section 11 within sixty (60) days of said written notice or, if the nature of such default is such that sixty (60) days is not sufficient to cause such cure, does not commence such cure within such sixty (60) days and diligently pursue it to completion, the County may then take the actions permitted in Section 14 or Section 15, as applicable.

13. In the event that TESLA fails to maintain the required minimum number of Employees at the Premises in accordance with (and during the period set forth in) Section 7 for any consecutive 90-day period, as indicated by the Employee documentation provided by TESLA, the tax abatement granted by this Agreement will be reduced as a percentage based on the difference. The amount of the tax abatement granted by this Agreement for the tax year following the year in which the requirement was not met is reduced by the same percentage, rounded to the nearest whole number, as the percentage decrease in the actual number of Employees that is maintained in the 90-day period. For example, if the actual average number of Employees is reduced by 6.6% during a given year, then the percentage of the tax abatement granted for that year under this Agreement on the Improvements would be decreased by the same percentage, rounded to the nearest whole number reducing the abatement by 7%. Should TESLA not maintain the required number of employees, and reduce the taxable value of real or property as a result of tax protest, then the greater of the two shall be applied to the reduction.
14. This Agreement may be terminated in the following circumstances: (i) if TESLA elects not to proceed with the project before the Abatement Period commences, (ii) the complete performance of the terms and conditions of this Agreement by the parties, and (iii) as otherwise explicitly permitted by this Agreement. In the event of default under Section 11(a) and Section 11(c)-(e), the County may (after notice and opportunity to cure as provided for herein) terminate this Agreement upon written notice of termination to the OWNERS, and the County, in such event, shall be entitled to recapture any and all property taxes which have been abated as a result of this Agreement for those years in which OWNERS were in default under Section 11(a) and Section 11(c)-(e) beyond applicable

notice and cure periods, and all such taxes shall be paid to the County within sixty (60) days of OWNERS' receipt of written demand from the County following the expiration of the cure period described in Section 12 (provided no cure is made) (the "Recaptured Taxes").

- a. In addition to any Recaptured Taxes due as a result of default hereunder, interest on any amounts subject to recapture or not current as of the time of default may be charged at the statutory rate of delinquent taxes, as determined by Chapter 33 of the Texas Tax Code.
- b. Notwithstanding subsection (a) above, in the event of default or termination, no penalty shall be charged under Chapter 33 of the Texas Tax Code.

to the maximum extent allowed by law.
