

FY24 STATE HOMELAND SECURITY PROGRAM- REGULAR PROJECTS

SUMMARY

- The Constable's Office, Precinct 4 has requested my assistance with an application seeking funds to obtain ten (10) new P25-compliant portable radios and necessary accessories (e.g., chargers, multikeys, AES encryption and ADP)

FUNDING REQUEST

- \$60,730.00
- There is no local match requirement.

RECOMMENDATION

This is an excellent funding opportunity for the County to pursue on behalf of Constable's Office, Precinct 4. I would recommend that Commissioners' Court authorize the County's Grant Manager to submit an application to the State for consideration.
